

Parliamentary Bureau – Approval of Scottish Statutory Instruments and Laid Document

Affirmative Instruments

[Town and Country Planning \(Marine Fish Farming\) \(Scotland\) Amendment Order 2025 \(SSI 2025/Draft\)](#)

1. Under Rule 10.6.5, the Bureau is required to lodge the following motion—

Jamie Hepburn on behalf of the Parliamentary Bureau: That the Parliament agrees that the Town and Country Planning (Marine Fish Farming) (Scotland) Amendment Order 2025 (SSI 2025/Draft) be approved.

Purpose

2. Marine planning zones set out the spatial limits for local authorities responsibilities for planning controls, under the 1997 Act, of marine fish and shellfish farms in Scottish waters.
3. The purpose of this Order is to extend the boundaries of existing marine planning zones from 3 nautical miles out to the territorial limit i.e. 12 nautical miles, except in instances where a section of a marine planning zone meets the boundary of another marine planning zone, or where a section of a marine planning zone meets the Scottish Adjacent Waters Boundaries.
4. This will align marine planning zones to the definition of ‘development’ for fish farming under the 1997 Act, allowing planning applications for development of fish farms located between 3 and 12 nautical miles to be submitted to a relevant planning authority.

Consideration by committee

5. At its meeting on 28 May 2025 the Rural Affairs and Islands Committee agreed to recommend by division (For 7, Against 1, Abstentions 0) that the Instrument be approved. The [Committee’s report was published on 3 June 2025](#).
