

Scottish Government submission of 18 January 2024

PE2073/A: Ensure accurate information is used when issuing court summons

The Citizen Participation and Public Petitions Committee has requested a response from the Scottish Government about the above petition.

The petition relates to an area in which Scottish Government has no policy position or role, and which is an operational matter for the Crown Office and Procurator Fiscal Service (COPFS) and Police Scotland.

We have been in touch with COPFS about the matter raised in the petition and they have confirmed they can provide a response to the Committee.
