Dear Mr Johnson

REGISTERS OF SCOTLAND – MONTHLY PROGRESS UPDATE**Performance Information**

As part of our agreed reporting to the committee, I am writing to provide links to our end of October 2025 performance position. Please see our [status of open casework](#), [casework turnaround times](#), and [delivering the benefits of a complete land register](#) figures.

Other Key RoS Activities

As the Committee will be aware, the Keeper publishes a monthly newsletter for customers and stakeholders highlighting the key RoS developments. For ease, I attach a [link to the October newsletter](#) for information.

As you will be aware RoS' current corporate plan will come to an end in March 2027. The process to develop our next corporate plan is underway and I have recently initiated a programme of external customer and stakeholder engagement to seek views on potential priorities for our next corporate plan. I will write separately to the EFW Committee to outline the overall approach to developing our next corporate plan, and to invite your input on anything you would wish us to consider as part of this process.

If you require anything further in relation to the information provided in this update, please let me know.

Yours sincerely

JENNIFER HENDERSON
Keeper of the Registers of Scotland
