Dear Cabinet Secretary,

ChatGPT

At its meeting on [15 March 2023](#), the Committee discussed correspondence it had received highlighting the issue of artificial intelligence, specifically ChatGPT, and its potential impact on coursework assessments.

The Committee is mindful that learners and examiners will soon be embarking on their exam diets. It therefore agreed to write to you for the Scottish Government's view on these issues.

The Committee would welcome your response by **Wednesday 19th April 2023**.

Yours sincerely

Sue Webber MSP
Convener
