I am writing to the Committee to provide an update on the request that further information be published on the 2024-25 Scottish Budget to show outturn and latest forecasts as prior year comparators.

I am pleased to confirm that the Additional Disclosures of Prior Year Comparative Information was published on 31 January, and this information is available online alongside the supporting documents of the 2024-25 Scottish Budget. Here is a web link for Committee members:

[Supporting documents - Scottish Budget: 2024 to 2025 - gov.scot \(www.gov.scot\)](http://www.gov.scot)

This new comparative analysis has been produced for 2024-25 Scottish Budget as part of the Scottish Government's ongoing commitment to improve budget transparency.
