Finance and Public Administration Committee

Ivan McKee MSP
Minister for Public Finance
Scottish Government

17 December 2025

Dear Ivan

As you will be aware, the Committee has been monitoring the Scottish Public Pensions Agency's (SPPA's) progress with delivery of the McCloud remedy. This includes hearing evidence from the SPPA's Chief Executive Officer at our meeting on 2 December 2025.

The Committee has agreed to invite Dr Pathirana to give evidence again in early March 2026 and to provide a written update in advance of that session to inform discussions.

We have copied our request for further information to you for information and for your reflections regarding your meetings with the SPPA to discuss progress with delivery of the remedy. It would be of particular interest to the Committee to receive information on the support provided and challenge function performed by you and by Scottish Government officials in relation to this matter.

The Committee looks forward to receiving your response by 2 March 2026.

Yours sincerely,

Kenneth Gibson MSP
Convener
