Committee Inquiry Follow-up: Health and Wellbeing of Children and Young People

On the 1 February 2022, I attended a meeting of the Health, Social Care and Sport Committee to provide evidence on the mental health and wellbeing of children and young people.

The Committee asked when the full Child's Rights and Wellbeing Impact Assessment (CRWIA) of the Mental Health Transition and Recovery Plan, would be published. I committed to publishing a full CRWIA in April 2022, covering all of the actions within the Mental Health Transition and Recovery Plan which will have an impact on children and young people's mental health.

I am pleased to let you know that the CRWIA has now been published on the Scottish Government website and is available at: <https://www.gov.scot/publications/child-rights-wellbeing-impact-assessment-crwia-covid-19-mental-health-transition-recovery-plan-children-young-peoples-mental-health/>

Yours sincerely,

KEVIN STEWART
