Dear Convenor,

### **Announcement of Scotland's Women's Health Champion**

As you will be aware, the First Minister has now announced the appointment of Professor Anna Glasier OBE as the first Women's Health Champion for Scotland.

Professor Glasier has had a long and distinguished career in women's reproductive health, and I know she is focussed on improving health outcomes for women and girls across Scotland.

Professor Glasier's appointment coincides with the publication of the first progress report on the Women's Health Plan which details the progress made so far on raising awareness around women's health, improving access to health care and reducing inequalities in health outcomes for women and girls. For your information, the report can be found here:

Regards,

**Maree Todd MSP**
