

## Following the Committee Meeting on 9 December 2025 further information from the Nursing and Midwifery Council by email correspondence

With our apologies again for the delay, please see the below data tables outlining new Fitness to Practise concerns that relate to aesthetics and non-surgical cosmetic procedures, received by the NMC between **01 April 2023 and 31 March 2025**.

**Figure 1** provides the total number of new concerns raised relating to aesthetics and non-surgical cosmetics procedures, and **Figure 2** provides the number of those where the registrant concerned has an address listed in Scotland.

Please note that this report is created on a snapshot of data taken at the time of extraction and is true at the time of writing. Re-examining this data at a later date may yield different results.

Financial year	Total	% of Total
2023/2024	83	56
2024/2025	64	44
<b>Grand Total</b>	<b>147</b>	

***Figure 1:** total number of new concerns raised relating to aesthetics and non-surgical cosmetics procedures by financial year (UK-wide)*

Address Country	Total	% of Total
<b>Scotland</b>	<b>14</b>	<b>10</b>
<b>Grand Total</b>	<b>147</b>	

***Figure 2:** Number of new concerns raised relating to aesthetics and non-surgical cosmetics procedures by registrant address country (UK-wide and Scotland)*

We hope this is helpful for the committee and do let us know if there are any questions around this.

Kind regards
