27 March 2024

Dear Patrick,

SI 2021/1335 Green Gas Support Scheme Regulations 2021

At its meeting on 26 March, the Net Zero, Energy and Transport Committee considered the Scottish Government's consent notification relating to proposals for amendments to the following UK statutory instrument–

Green Gas Support Scheme Regulations 2021 (SI 2021/1335)

Further to our scrutiny of this notification, the Committee agreed that it is content for the Scottish Government to give consent to UK Ministers making regulations on its behalf in relation to this SI.

Yours sincerely,

Edward Mountain MSP
Convener
