16 April 2025

Dear Mr Mountain,

Update on MV Glen Rosa

Further to our recent correspondence with the Committee, and in response to your request for an update by 16 April, I am writing to confirm that work to finalise the revised build plan for MV Glen Rosa remains ongoing.

This ongoing work is crucial to ensuring the plan meets the highest standards of accuracy and incorporates the latest insights from across our technical teams. We are also working closely with CMAL, as technical advisors to Scottish Government, to complete this process as soon as practicable including the establishment of a Weekly Review Group to provide assurances to our key stakeholders, which sat for the first time last week.

We will provide an update to the Committee upon conclusion of the revised build plan. We thank the Committee for its ongoing patience and we look forward to welcoming you to the yard in due course.

Yours sincerely,

David Dishon

Chief Financial Officer & Accountable Officer
