

Follow-up written evidence from Unite the Union in relation to Rural Affairs and Islands Committee meeting of 22 February 2023

Follow-up written evidence from Susan Robertson, Regional Officer, Unite the Union, 10 March 2023.

The Real Living Wage is £10.90 and the Scottish Agricultural Wages Board rate is £10.42. As I said on the call you can get a job in a Supermarket for more. Tesco are away to put their starting hourly rate up to £11.02 from April.

With regards to Unite Membership on farms I cannot give you an accurate number as these Members are all put into our system under Food, Drink & Agriculture.
