21 February 2024

Dear Gillian,

UK subordinate legislation

At its meeting on 21 February 2024, the Rural Affairs and Islands Committee considered the consent notification for the following UK SI—

- Official Controls (Fees and Charges) (Amendment) Regulations 2024

The Committee agreed with the Scottish Government's decision to consent to the provisions in the notification being included in UK, rather than Scottish, subordinate legislation.

This notification was sent to the Committee by you as Minister for Energy and the Environment. I understand ministerial responsibilities have recently changed. If official controls no longer falls within your responsibilities, I would be grateful if this letter could be forwarded to the Minister who has acquired that responsibility.

Yours sincerely,

Finlay Carson MSP
Convener, Rural Affairs and Islands Committee
