Cross-Party Group Registration Form

Name of Cross-Party Group
Cross-Party Group on Accident Prevention and Safety Awareness

Purpose of The Group and Proposed Discussion Topics
1. Please state the purpose of the Group.
2. Please also provide a brief explanation of the purpose of the Group and why the purpose is in the public interest.
3. Please also provide details of any overlaps with the purpose of existing Cross-Party Groups and an explanation of why, regardless of any such overlap, the Group should be established.
4. Please also provide an indication of the topics which the Group anticipates discussing in the forthcoming 12 months.

The purpose of the Group has been agreed as: "To promote all aspects of safety through safety awareness and accident prevention".

The Group is in the public interest because there is still, in Scotland, considerable loss of life and injury attributable to preventable accidents in a variety of settings and, from a social justice perspective, accidents disproportionately affect people living in more deprived areas.

This Group seeks to promote and facilitate collaboration between agencies and individuals with an interest in this area to the purpose outlined.

There is no known overlap with any other Cross Party Group.

It is the Group's intention to collaborate appropriately where there is some shared concern as was done in previous sessions of Parliament.

The Group intends to meet four times per year and agendas will include presentations and related question and answer sessions. Topics will be agreed by the membership and will include matters such as: Fire Safety, Occupational Safety, Water Safety, Home Safety and Child Safety.

The benefit of R0SPA providing the secretariat to the Group and, for support to 4 meetings per year, is estimated will come to the notional amount of £3,350. This in kind cost of £3,350 is an estimate referring to ten days (at £335 per day) of the RoSPA worker's time over a year to both support and attend the meetings (eg setting up meetings, preparing and distributing Agendas and Minutes, time for phone calls, emails, liaison with members, speakers and official etc.) The daily cost of £325 is worked out by including all the costs to RoSPA involved in employing the staff member such as: salary, national insurance, contractual allowances, heating, lighting, rent (and other office costs etc.) as well as central support services (e.g. accounts, IT, HR, website, information centre etc.).
