

## Cross-Party Group Registration Form

<b>Name of Cross-Party Group</b>
Cross-Party Group on Migration
<b>Purpose of The Group and Proposed Discussion Topics</b> <ol style="list-style-type: none"><li>1. Please state the purpose of the Group.</li><li>2. Please also provide a brief explanation of the purpose of the Group and why the purpose is in the public interest.</li><li>3. Please also provide details of any overlaps with the purpose of existing Cross-Party Groups and an explanation of why, regardless of any such overlap, the Group should be established.</li><li>4. Please also provide an indication of the topics which the Group anticipates discussing in the forthcoming 12 months.</li></ol>
<ol style="list-style-type: none"><li>1. The purpose of the CPG is to provide a forum for stakeholders, policy-makers and those with lived experience to discuss any arising issues relating to migrants, refugees and those seeking asylum.</li><li>2. Whilst immigration is a reserved matter, the CPG will engage, consider and raise awareness of ways that we can make an impact on issues regarding immigration and migration, asylum and refugees within Scotland.  This is in the public interest as there is not currently a CPG focusing on this area despite thousands in Scotland being impacted by issues relating to migration, asylum and refugees. The creation of this CPG would be particularly beneficial given recent, significant and relevant events taking place such as the passing of the Nationality and Borders Bill by the UK Parliament and the crisis in Afghanistan.</li><li>3. No CPG's of similar objectives have been identified.</li></ol>

4. A discussion regarding potential areas of focus and interest to the CPG took place at the initial meeting to constitute the group. Some of the topics which are anticipated to discuss are:

- Current and topical issues impacting asylum seekers, refugees and migrants in Scotland (e.g. COVID-19, Brexit, Borders Bill, access to education, rural and remote migration, detention, destitution, hotel accommodation etc).
- The rights of those resident in Scotland who are going through the asylum process and have refugee status.
- Scottish Government strategies such as the New Scots strategy and the Ending Destitution Together Strategy.
- Updates from third sector organisations and possibly those working on asylum, refugees and migration in other countries.
