Cross-Party Group Registration Form

Name of Cross-Party Group

Cross-Party Group on Volunteering

Purpose of The Group and Proposed Discussion Topics

- 1. Please state the purpose of the Group.
- 2. Please also provide a brief explanation of the purpose of the Group and why the purpose is in the public interest.
- 3. Please also provide details of any overlaps with the purpose of existing Cross-Party Groups and an explanation of why, regardless of any such overlap, the Group should be established.
- 4. Please also provide an indication of the topics which the Group anticipates discussing in the forthcoming 12 months.

Given the ongoing Scottish Government's commitment to volunteering and their priority to increase participation rates and expand diversity of volunteering, it was felt that Cross-Party Group solely dedicated to volunteering is essential. This decision is underpinned by the fact that it is accepted that volunteering includes the public & private sector as well as voluntary and community sectors in Scotland. Indeed, Volunteering plays a crucial role in public sector reform. The aims of this CPG could not be achieved without cross-party support.

Remit for CPG

- 1. To raise awareness of volunteering in all sectors to ultimately increase participation rates in all its forms
- 2. To ensure volunteering has a high profile in the Scottish Parliament and influence Scottish Government Policy
- 3. To ensure opportunities for volunteering are recognised across all SG directorates
- 4. Examination and sharing of research in other parts of UK and beyond

5. To liaise and work with other CPGs to promote volunteering

Aim of CPG

It is important that the CPG is output driven and that it makes a significant contribution to volunteering growth in Scotland and provides leadership to make this growth become a reality.
