# Ar Facail Sealladh Seillein

Le Bun-sgoil Thorntree agus Magic Torch Comics

Tha an gàrradh air a chur le craobhan, mheasan agus luibhean, direach mar a bhiodh e nuair a bhiodh Diùc Queensberry a' fuireach san t-seann taigh.

An-diugh, tha na luibhean air am buain agus air an cleachdad ann am biadh nam Ball Pàrlamaid, luchd-obrach na Pàrlamaid agus anns a' chafaidh phoblach.

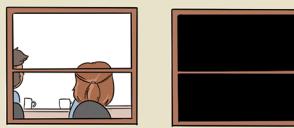

Tha a' Phàrlamaid a' dèanamh rudan eile gus an àrainneachd a chuideachadh.

Mar eisimpleir, chan eil mise a' faicinn uimhir de chupannan cofaidh sna bionaichean is a chleachd mi.

Agus tha iad gu math measail air cofaidh a-staigh an sin. Feumaidh gu bheil iad ag ath-chleachdad nan cupannan aca...

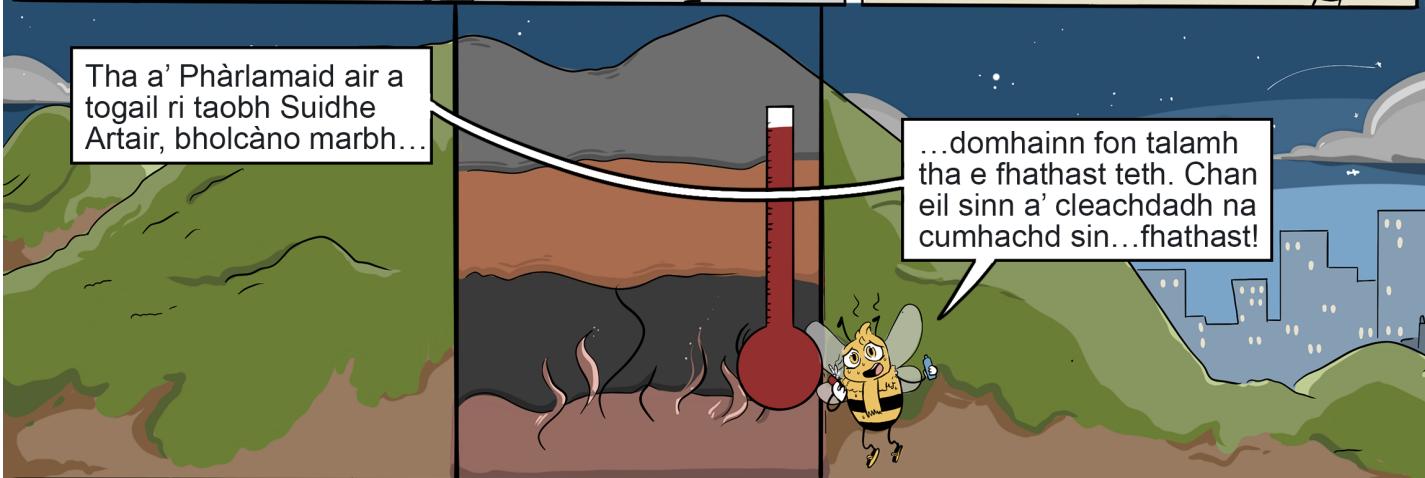

Direach coltach ris na sgeapan, tha a' phàrlamaid a' dèanamh oidhrip air an teas a ghleidheadh nas fheàrr... Ann an cuid de sheòmraichean cha tig an solas air ach nuair a tha daoine ann... is thèid iad dheth nuair nach eil duine a-staigh ann.

Tha a' Phàrlamaid air a togail ri taobh Suidhe Artair, bholcàno marbh...

...domhainn fon talamh tha e fhathast teth. Chan eil sinn a' cleachdad na cumhachd sin...fhathast!

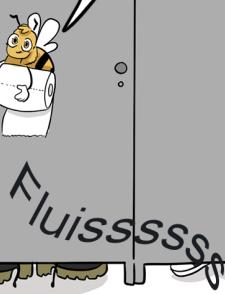

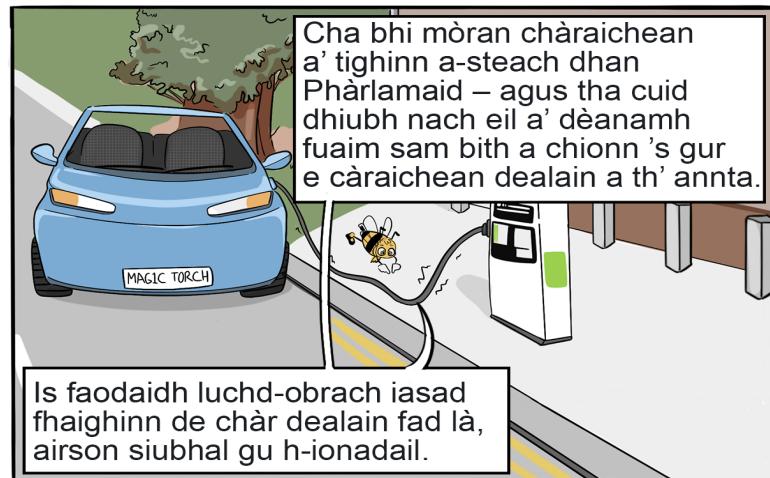

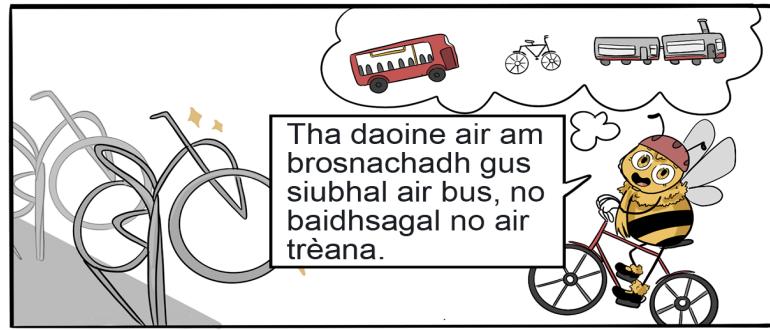

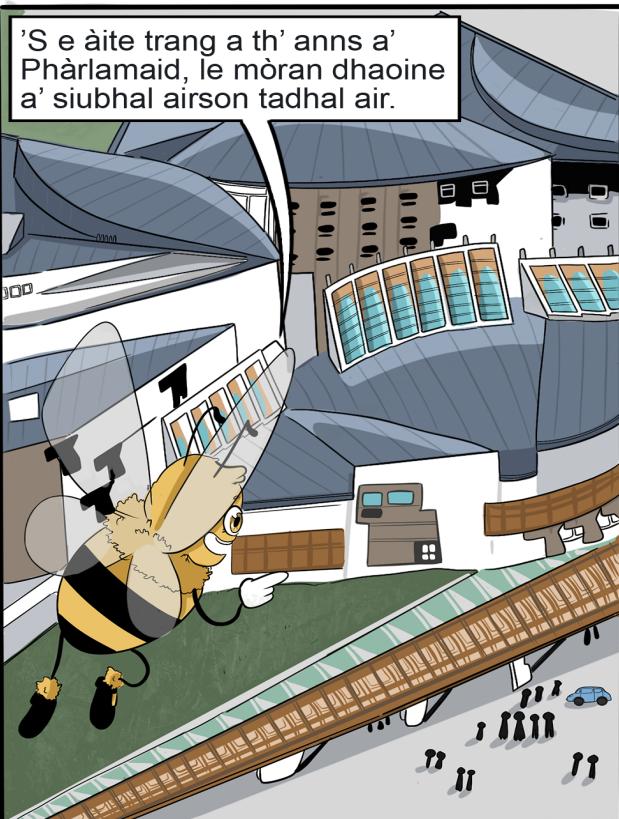

Ach tha sinn a' cleachdad uisge bho shios an sin.

Chan eil e glan gu leòr airson òl ach faodar a chleachdad anns na lòin...

...no anns na taighean-beaga.
