#### <Circular economy targets: pre-laying procedure for first regulations

- (1) This section applies where the Scottish Ministers propose to lay before the Scottish Parliament a draft of a statutory instrument containing the first regulations under section 6(1).
- (2) The Scottish Ministers must, before doing so, lay before the Parliament—
  - (a) a copy of the proposed regulations, and
  - (b) a statement setting out their reasons for proposing to make those regulations.
- (3) The Scottish Ministers must, when laying such a copy, specify a period (the “representation period”) during which representations on the proposed regulations may be made to them.
- (4) The representation period must be at least 90 days, of which no fewer than 30 must be days on which the Parliament is not dissolved or in recess.

- (5) The Scottish Ministers must, as soon as reasonably practicable after laying a copy of the proposed regulations, publicise them in such manner as they consider appropriate.
- (6) The Scottish Ministers must, before laying the proposed regulations before the Parliament, have regard to—
  - (a) any representations on the proposed regulations made to them,
  - (b) any resolution relating to those regulations passed by the Parliament, and
  - (c) any report relating to those regulations published by any committee of the Parliament for the time being appointed by virtue of standing orders,before the expiry of the representation period.
- (7) The Scottish Ministers must, when laying such proposed regulations, lay a statement setting out—
  - (a) details of any representations, resolutions or reports mentioned in subsection (6), and
  - (b) the changes (if any) they have made to the proposed regulations in response to such representations, resolutions or reports and the reasons for those changes.
- (8) In this section, “proposed regulations” means a draft of a statutory instrument to which subsection (1) applies.>

### **Graham Simpson**

**12** After section 7, insert—

#### **<Circular economy target: fine**

- (1) The Scottish Parliament must, by approval of the Parliament, set a fine for the Scottish Ministers if the circular economy targets are missed.
- (2) The proceeds of such a fine will be distributed equally among local authorities and third sector organisations involved in the conservation, restoration or enhancement of the natural environment.>

### **Maurice Golden**

**13** After section 7, insert—

#### **<Circular economy targets: review of Act if targets are not met**

- (1) This section only comes into force once the Scottish Ministers have imposed targets under section 6.
- (2) Where the circular economy targets are not met, the Scottish Ministers must—
  - (a) undertake a review of the circular economy targets,
  - (b) undertake a review of the operation of this Act, and
  - (c) prepare a report of that review.
- (3) The Scottish Ministers must, as soon as reasonably practicable after preparing the report—
  - (a) publish the report, and
  - (b) lay the report before the Scottish Parliament.>

**Maurice Golden**

14 After section 7, insert—

**<Circular economy targets: review if the net-zero emissions target are not met**

- (1) If the net-zero emissions target under section A1 of the Climate Change (Scotland) Act 2009 is not met, the Scottish Ministers must—
  - (a) undertake a review of the circular economy targets,
  - (b) undertake a review of the operation of this Act, and
  - (c) prepare a report of that review.
- (2) The Scottish Ministers must, as soon as reasonably practicable after preparing the report—
  - (a) publish the report, and
  - (b) lay the report before the Scottish Parliament.>

**Ben Macpherson**

128 After section 7, insert—

**<Circular economy infrastructure**

In order to provide and facilitate accessible infrastructure to meet the obligations in this Act, in particular enabling reuse, refurbishment, repair and recycling, the Scottish Ministers must provide sufficient funds and resources to local authorities and other organisations as the Scottish Ministers consider appropriate.>

**Maurice Golden**

151 After section 7, insert—

**<Advisory body and Ministerial advisory duties**

- (1) The Scottish Ministers must, by regulations, designate—
  - (a) a body established for the purpose of exercising advisory functions under subsection (2) on the circular economy, or
  - (b) such other public body as they consider appropriate to exercise the functions in subsection (2).
- (2) The advisory functions are—
  - (a) providing advice, analysis, information and other assistance to the Scottish Ministers in respect of the Ministers' duties under sections 1 and 6,
  - (b) any other functions the Scottish Ministers consider appropriate.
- (3) The Scottish Ministers must consult the advisory body and request advice on at least one occasion before—
  - (a) publication of the circular economy strategy under section 1,
  - (b) publication of any revisions to the circular economy strategy under section 4, and
  - (c) introduction of the circular economy targets under section 6.
- (4) A request for advice under subsection (3) must include—
  - (a) whether the circular economy strategy is achievable,

- (b) whether the circular economy strategy is appropriate,
  - (c) the estimated contribution of the circular economy strategy towards the circular economy target.
- (5) A request for advice under subsection (3) may request the relevant body’s views as to any other matter which the Scottish Ministers consider relevant.
- (6) The Scottish Ministers must—
- (a) publish any advice received in response to a request under subsection (3) as soon as reasonably practicable after it is received,
  - (b) within 2 months of receiving that advice, publish a statement to set out how they intend to respond to that advice, and
  - (c) if they do not publish a statement under paragraph (b) above, make a statement to the Scottish Parliament to set out the reasons for not doing so.
- (7) Regulations under subsection (1) are subject to the affirmative procedure.>

**Maurice Golden**

**152** After section 7, insert—

*<Duty to prepare circular economy plan*

**Duty to prepare circular economy plan**

- (1) Each public body must—
- (a) prepare a circular economy plan, and
  - (b) submit it to the Scottish Ministers for approval.
- (2) A circular economy plan is a plan which—
- (a) sets out how the public authority will—
    - (i) account for the proportion of their activity under section 6(3)(a), in particular through procurement,
    - (ii) improve the circular economy of their operations,
  - (b) sets the date by which any improvements must be carried out.
- (3) A public body, in preparing its circular economy plan, must have regard to—
- (a) the best way to contribute to the delivery of the circular economy strategy,
  - (b) such matters as the Scottish Ministers may direct.
- (4) In this section, a “public body” has the same meaning within section 3(1)(a) of the Freedom of Information (Scotland) Act 2002.>

**Maurice Golden**

**215** After section 7, insert—

*<Public body duties in relation to circular economy*

**Public body duties in relation to circular economy**

- (1) Each public body must take reasonable steps to prevent human rights harm and ensure environmental due diligence with regard to the body's operations, products, services (in particular procurement) throughout their value chain and those of their subsidiaries.
- (2) The Scottish Ministers must, by regulations and before 1 April 2025, make further provision for the purposes of subsection (1).
- (3) Regulations under this section may make provision for—
  - (a) a definition of human rights and environmental due diligence so long as it is consistent with any definition or principles within—
    - (i) the Universal Declaration of Human Rights adopted by the United Nations General Assembly in 1948,
    - (ii) the International Covenant on Civil and Political Rights adopted by the United Nations General Assembly in 1966,

- (1) The Environmental Protection Act 1990 is modified as follows.
- (2) In section 140, after subsection (10) insert—

“(10A) Regulations under this section may provide for an enforcement officer to give to a person whom the enforcement officer has reason to believe has committed

an offence under the regulations a notice offering the opportunity of discharging any liability to conviction for the offence by payment of a fixed penalty not exceeding level 3 on the standard scale.

(10B) In subsection (10A), an “enforcement officer” means a person referred to in subsection (3)(c).

(10C) Where provision under subsection (10A) is made in regulations under this section, the regulations may—

- (a) provide for the amount of the fixed penalty to be different in different cases or descriptions of case,
- (b) impose requirements on persons to whom a fixed notice is given to provide their name, address and date of birth,
- (c) create offences for failure to comply with requirements mentioned in paragraph (b), subject to a maximum penalty, on summary conviction, of a fine not exceeding level 3 on the standard scale,
- (d) enable enforcement officers to give certificates as to proof of payment or non-payment of a fixed penalty and for such certificates to be evidence of the facts stated in them.

(10D) Where provision under subsection (10A) is made in regulations under this section, the regulations must require a fixed penalty notice—

- (a) to set out the particulars of the circumstances alleged to constitute the offence as are necessary for giving reasonable information about the offence,
- (b) to set out the amount of the fixed penalty,
- (c) if the amount of the fixed penalty may be discounted in certain circumstances, to set out those circumstances and the amount of the discount,
- (d) to set out the period within which the fixed penalty is to be paid, the person to whom it is to be paid and the arrangements for doing so,
