Background

Expenditure is on staff salaries and includes transfers to Party Group Pools and Mini employment pools where some members have established a shared employment basis.

It also includes other expenditure under the Staff Cost provision Scheme such as incidental and ancillary employment costs.

The above expenditure does not include employer's National Insurance, employer's pension contributions, temporary staff cover costs or redundancy costs.

The total for members will differ from the actual expenditure as not all funds transferred to Group and Mini pools were spent. This amounted to around £67,600.
