Contributors to Time for Reflection: Session 6

This Fact Sheet lists all contributors to Time for Reflection from the beginning of Session 6. It is arranged by date with the most recent date first and includes the name and religious affiliation of the contributor, additional information about the contributor and a link to the Official Report.

Time for Reflection is normally the first item of business at a meeting of the Parliament each week, on a Tuesday afternoon. A speaker addresses the meeting for up to 4 minutes. Invitations to address the Parliament at Time for Reflection are issued by the Presiding Officer on advice from the Parliamentary Bureau. The pattern of speakers reflects the balance of beliefs in Scotland (based on the Census). In general, nominations for contributors are proposed to the Presiding Officer by MSPs or by the religions or faiths directly. There have been occasions when individuals have written to the Presiding Officer with nominations for contributors.
