Scottish Parliament committees: cumulative list of committees, remits and membership, Session 6

This Fact Sheet provides a list of committees in the Scottish Parliament from the beginning of Session 6. It is arranged alphabetically by the name of the committee and includes the committee type, remit, convenership and membership.

It also lists the membership of the Conveners' Group. The Conveners' Group provides an informal forum where committee Conveners can meet to discuss matters of mutual interest and to facilitate liaison between the committees, the Parliamentary Bureau and the Scottish Parliamentary Corporate Body.

Committees play a central part in the work of the Parliament – taking evidence from witnesses, scrutinising legislation and conducting inquiries. Most committees meet weekly or fortnightly, usually on Tuesday, Wednesday or Thursday mornings. Each committee has a Convener and a Deputy Convener. Conveners convene and chair meetings but are not required to be impartial. Deputy Conveners can also chair meetings and cover for the Convener.

Under Rule 6.3A of the Standing Orders of the Scottish Parliament, a political party represented by five or more Members of the Scottish Parliament (MSPs) may nominate a member of that party to be a substitute (referred to as a "committee substitute") for the members of that party on a particular committee. These committee substitutes must be approved by the Parliament on a motion of the Parliamentary Bureau.
