- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Members' Business motions that have not achieved cross party support

**\*S5M-01348 Alex Johnstone: Stolen Valour**—That the Parliament acknowledges and honours the continuing contribution made to communities by armed forces veterans in the north east of Scotland and across the country; notes with grave concern however, that some individuals have chosen to fraudulently claim that they have served in the armed forces and have been found to wear military regalia and medals to which they are not entitled and includes making false claims to have been involved in specific theatres of conflict and incidents; notes that those making such claims are known among genuine veterans as "Walter Mittys", and expresses serious concern that the activities of these individuals may have a negative impact on those who have genuinely served their country in the armed forces, as well as the many excellent charities and organisations that work tirelessly to help and support the many thousands of real heroes in Scotland.

Supported by: David Torrance\*, Emma Harper\*, Richard Lyle\*

**\*S5M-01353 Edward Mountain: Alness Community Association**—That the Parliament congratulates the Alness Community Association and those who donated to the restoration of the Alness and Wester Ross War Memorial, which lists the local people who lost their lives in both

**\*S5M-01349 James Dornan: Congratulating Save the Children's Lifeboats for Refugees Appeal**—That the Parliament congratulates Save the Children on the launch of its emergency appeal for £1 million to support a lifeboat, which would operate around the waters of Italy for a 15-month period, and welcomes the life-saving work that this craft will achieve by rescuing children and their families from danger in the water and allowing Save the Children teams to provide food, clothing and medical treatment to ensure that the most vulnerable people receive the support that they desperately need.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Thursday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
