**followed by Scottish Government Debate: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**

**[S5M-01669](#) Fergus Ewing: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**—That the Parliament agrees that the best way to protect rural interests is by protecting Scotland's place in Europe, maintaining membership of the single market, and access to the free movement of labour; welcomes that the Scottish Ministers will pass on in full the EU funding guaranteed by the UK Government so far; notes that membership of the EU delivers significant economic and social benefits to Scotland's rural economy, worth billions between 2014 and 2020; resolves to do all it can to secure the jobs, incomes, businesses, investment and development dependent on these benefits, and, therefore, calls on the UK Government to guarantee all EU funding due to Scotland and to ensure that Scotland has a role in decision-making, as well as full involvement in all UK negotiations, including those on fisheries management.

The Presiding Officer has selected the following amendments

**[S5M-01669.2](#) Peter Chapman: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**—As an amendment to motion S5M-01669 in the name of Fergus Ewing (Securing the Interests of Scotland's Rural Economy Following the EU Referendum), leave out from "agrees" to end and insert "believes that a continued close relationship with Europe is integral for Scotland's rural interests; welcomes the UK Government's guarantees on EU funding and the Scottish Ministers' commitment to pass this on in full; notes the support that the EU has delivered for rural Scotland, but recognises new opportunities for Scotland's farming and fishing interests; resolves to do all it can to secure jobs, incomes, businesses, investment and development in rural Scotland; urges the Scottish Government to work closely with the UK Government to secure the best possible future for Scotland's rural economy, and notes with concern the difficulties that the Scottish Government has had in delivering CAP payments over the last year." R

**[S5M-01669.1](#) Rhoda Grant: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**—As an amendment to motion S5M-01669 in the name of Fergus Ewing (Securing the Interests of Scotland's Rural Economy Following the EU Referendum), after "between 2014 and 2020" insert "and is poised to provide significant funding towards the further roll-out of high-speed broadband to Scotland".

**followed by Standards, Procedures and Public Appointments Committee Debate: Standing Order Rule Changes, Mandatory Committee Remits**

**[S5M-01645](#) Clare Adamson on behalf of the Standards, Procedures and Public Appointments Committee: Standing Order Rule Changes, Mandatory Committee Remits**—That the Parliament notes the Standards, Procedures and Public Appointments Committee's 3rd Report 2016 (Session 5), *Standing Order Rule Changes - Mandatory committee remits* (SP Paper 12), and agrees that the changes to Standing Orders set out in Annexe A of the report be made with effect from 28 September 2016.

**followed by Business Motions**

**followed by Parliamentary Bureau Motions**

**5:00 pm Decision Time**

**followed by Members' Business  
Debate on the subject of—**

**[S5M-01493](#) Monica Lennon: Feminine Hygiene Products**—That the Parliament notes the burden of the cost of feminine hygiene products on women and girls in the Central Scotland region and throughout Scotland; further notes that the average woman uses around 12,000 feminine hygiene products in their lifetime; recognises that these products are a necessity to maintaining good health; considers that some women and girls may be unable to buy vital feminine hygiene products due to the cost; commends charities such as Scottish Women's Aid, The Trussell Trust and Barnardo's for the great work they are doing to provide feminine hygiene products free of charge to women and girls who struggle to pay for them, and recognises the work being done internationally on the issue of menstrual equity, for example in New York City, where feminine hygiene products are now free in schools, prisons and homeless shelters.

## Motions for Debate

**\*[S5M-01677](#) Anas Sarwar: Protect Local NHS Services**—That the Parliament notes the widespread public concern over proposals to downgrade valued local services, including maternity services at the Vale of Leven Hospital, paediatric services at the Royal Alexandra Hospital, maternity services at Inverclyde Hospital, trauma orthopaedics at Monklands Hospital, inpatient services at the Centre for Integrated Care, cleft palate services at the Royal Hospital for Sick Children and the closure of the Lightburn Hospital; believes that all these proposals constitute major changes in service provision, and therefore calls on the Scottish Government to call in these proposals, as set out by NHS Greater Glasgow and Clyde, NHS Lanarkshire and NHS Lothian, for ministerial decision.

Supported by: Colin Smyth\*

**\*[S5M-01669](#) Fergus Ewing: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**—That the Parliament agrees that the best way to protect rural interests is by protecting Scotland's place in Europe, maintaining membership of the single market, and access to the free movement of labour; welcomes that the Scottish Ministers will pass on in full the EU funding guaranteed by the UK Government so far; notes that membership of the EU delivers significant economic and social benefits to Scotland's rural economy, worth billions between 2014 and 2020; resolves to do all it can to secure the jobs, incomes, businesses, investment and development dependent on these benefits, and, therefore, calls on the UK Government to guarantee all EU funding due to Scotland and to ensure that Scotland has a role in decision-making, as well as full involvement in all UK negotiations, including those on fisheries management.

Supported by: Michael Russell\*

**\*[S5M-01669.3](#) Mike Rumbles: Securing the Interests of Scotland's Rural Economy Following the EU Referendum**—As an amendment to motion S5M-01669 in the name of Fergus Ewing (Securing the Interests of Scotland's Rural Economy Following the EU Referendum), leave out from "and to ensure" to end and insert ", work out what its position is on leaving the EU, recognise that European markets and the free movement of labour are fundamentally important to the rural economy, and ensure that Scotland has a role in decision-making; further calls on the

Scottish Government to end the current CAP payment distribution debacle, establish a review group to start developing options for agricultural support beyond 2020, and, in the intervening period, provide as much certainty and information as possible to farmers, crofters and the wider rural economy.”

**\*S5M-01669.2 Peter Chapman: Securing the Interests of Scotland's Rural Economy**

**Following the EU Referendum**—As an amendment to motion S5M-01669 in the name of Fergus Ewing (Securing the Interests of Scotland's Rural Economy Following the EU Referendum), leave out from "agrees" to end and insert "believes that a continued close relationship with Europe is integral for Scotland's rural interests; welcomes the UK Government's guarantees on EU funding and the Scottish Ministers' commitment to pass this on in full; notes the support that the EU has delivered for rural Scotland, but recognises new opportunities for Scotland's farming and fishing interests; resolves to do all it can to secure jobs, incomes, businesses, investment and development in rural Scotland; urges the Scottish Government to work closely with the UK Government to secure the best possible future for Scotland's rural economy, and notes with concern the difficulties that the Scottish Government has had in delivering CAP payments over the last year." **R**

**\*S5M-01669.1 Rhoda Grant: Securing the Interests of Scotland's Rural Economy Following**

**the EU Referendum**—As an amendment to motion S5M-01669 in the name of Fergus Ewing (Securing the Interests of Scotland's Rural Economy Following the EU Referendum), after "between 2014 and 2020" insert "and is poised to provide significant funding towards the further roll-out of high-speed broadband to Scotland".

**Other new and altered motions and amendments**

**\*S5M-01676 Douglas Ross: Moray Council Confers Freedom of Moray on Heather**

**Stanning**—That the Parliament welcomes the unanimous decision of Moray Council to confer the Freedom of Moray on Heather Stanning in recognition of her outstanding achievement of winning gold in the women's pairs rowing event in the Rio Olympics to add to her gold at the London Olympics in 2012; believes Heather to be an excellent role model for young people in Moray and further afield who can see the success that she derives from her commitment to rowing; notes that the Olympic gold medal she won with her partner, Helen Glover, in Rio follows their Olympic win four years ago in London and that Heather and Helen were world pairs champions in 2014 and again in 2015 and that they are also reigning European champions, and further notes that Heather comes from Lossiemouth where her parents still live and that the local community has organised several events to further recognise her tremendous achievements. **R**

**\*S5M-01675 Adam Tomkins: Great City Swap**—That the Parliament recognises and supports the Great City Swap campaign that is being run by the Glasgow City Marketing Bureau and Marketing Edinburgh as a way of showing residents from across central Scotland the fantastic culture, architecture and shopping that exists in the two major cities, and congratulates ScotRail for undertaking the research underpinning this initiative.

**\*S5M-01674 Donald Cameron: Big Lottery Funding for Dunoon Burgh Hall Trust**—That the Parliament welcomes the announcement that Dunoon Burgh Hall Trust will receive £656,825 from the Big Lottery Fund; understands that the trust will use this funding to complete the renovation and refurbishment of Dunoon Burgh Halls to create a new community hub; notes that the trust delivers a range of services for the community of Dunoon and the Cowal Peninsula, and commends the trust for all the work that it does to promote Dunoon.

**\*S5M-01673 Richard Lochhead: Scottish League Cup Semi-final Scheduling**—That the Parliament congratulates Aberdeen, Greenock Morton, Rangers and Celtic football clubs on reaching the semi-finals of the Scottish League Cup; regrets that the SPFL has arranged a lunchtime kick off for Aberdeen vs Greenock Morton semi-final at Hampden on 22 October 2016; agrees with Aberdeen FC that its supporters are disadvantaged by travelling from the north east to make the 12.15 pm kick-off time; notes that the Rangers vs Celtic semi-final the following day will kick off at 2.15 pm despite being held in the home city of both clubs; understands that the preference of Aberdeen FC is for the game to kick off later on the Saturday to ensure that the semi-final can be enjoyed by as many fans as possible; believes that the current kick-off time could prevent many fans from the north of Scotland from making the trip, and calls on the SPFL to listen to the travelling supporters, who it considers the lifeblood of Scottish football clubs, and reconsider the scheduling of this Scottish League Cup tie. **R**

Supported by: Liam McArthur\*, Clare Haughey\*, Graeme Dey\*

**\*S5M-01672 Jackson Carlaw: Groundbreaking Rock Art Discovery**—That the Parliament recognises the recent discovery by George Currie of several hundred prehistoric rock art engravings in Scotland; acknowledges that George's endeavours have made a phenomenal contribution to enhancing the body of knowledge into Britain's earliest artworks; notes that the findings are to be included in the largest research undertaking into UK prehistoric rock art, which is expected to last five years, and looks forward to the outcome of this research, which, it believes, will do much to emulate prehistoric British culture and history.

**\*S5M-01671 Jackson Carlaw: The Lost Songs of St Kilda**—That the Parliament notes the work of the late Peter Morrison; acknowledges that his album, *The Lost Songs of St Kilda*, has made it to the top of the UK's weekly classical album chart; understands that the tracks on the album were initially recorded on a £3 microphone by Mr Morrison in an Edinburgh care home before being remastered by a number of renowned composers such as Sir James MacMillan and the Mercury Prize nominee, Craig Duncan; recognises that these songs were never written down and that very few people are thought to have had knowledge of their existence following the evacuation of St Kilda in the 1930s; understands that Mr Morrison came to know these songs after being taught them by a former native of St Kilda during the Second World War, and hopes that this success will act as a means to discover other forgotten elements of Scottish culture.

## New Subordinate Legislation

### Laid only instruments

The following instrument was laid before the Parliament on 26 September 2016 and is not subject to any parliamentary procedure—

Private Housing (Tenancies) (Scotland) Act 2016 (Commencement No. 1) Regulations 2016 (SSI 2016/298 (C.28))

laid under section 30(2) of the Interpretation and Legislative Reform (Scotland) Act 2010

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Thursday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
