Debate on the subject of—

[S5M-06006](#) Tavish Scott: Island Games, Support Scotland's Athletes—That the Parliament welcomes the NatWest Island Games taking place in Gotland, Sweden; recognises the contributions and efforts of athletes from the Western Isles, Orkney and Shetland to the Island Games; notes that, in addition to Shetland, Orkney and the Western Isles, 21 further island groups are participating, featuring more than 4,000 athletes across 14 different sports; further notes that athletes from Shetland will be participating in each of the 14 sports; is concerned that the cost of travel for training and competing is often disproportionately higher for Shetland athletes than those from other parts of Scotland, and often prohibitively so; recalls the assurances given by the Scottish Government in September 2016 that it would give consideration to the creation of an islands transport fund for athletes; notes the view that such a fund would further the careers of individuals and teams that are successful in being chosen for Scottish representative sport; believes that this biannual event brings together athletes, families and supporters from across the globe and is a wonderful meeting of friends, bringing out all that is good in sport, and wishes all competitors the best of luck in their pursuit of medals in Gotland.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
