## Motions

Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

### Motions and amendments can be published with symbols:

- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

## Motions for Debate

**\*[S5M-08732](#) Nicola Sturgeon: Appointment of Junior Scottish Minister**—That the Parliament agrees that Maree Todd be appointed as a junior Scottish Minister.

**\*[S5M-08706](#) Gillian Martin: Seat Belts on School Transport (Scotland) Bill**—That the Parliament agrees that the Seat Belts on School Transport (Scotland) Bill be passed.

## Members' Business motions that have not achieved cross party support

**\*[S5M-08718](#) Gillian Martin: Studies Into Improved Transport Links North of Aberdeen**—That the Parliament welcomes the Nestrans' studies on improving transport links north of Aberdeen; notes in particular the report on the reopening of a railway line between Aberdeen, Dyce and Ellon and the view that such a service would provide a great opportunity to improve public transport links in the area, ease congestion on roads and help reduce Scotland's carbon footprint; believes that, in light of experiences with previous similar projects, passenger numbers for such a service would eclipse the forecast use and that it would be of benefit to the numerous outlying towns and villages near to the proposed line, and notes calls for Nestrans, and its partner organisations, to work toward delivery of this project for the benefit of the north east.

## Other new and altered motions and amendments

**\*[S5M-08733](#) Joe FitzPatrick on behalf of the Parliamentary Bureau: Child Poverty (Scotland) Bill**—That the Parliament agrees that, during stage 3 of the Child Poverty (Scotland) Bill, debate on groups of amendments shall, subject to Rule 9.8.4A, be brought to a conclusion by the time limit indicated, that time limit being calculated from when the stage begins and excluding any periods when other business is under consideration or when a meeting of the Parliament is suspended (other than a suspension following the first division in the stage being called) or otherwise not in progress:

Groups 1 and 2: 55 minutes

Groups 3 to 5: 1 hour 20 minutes.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

### Final Proposal for Members' Bills

**John Finnie: Proposed Children (Equal Protection from Assault) (Scotland) Bill**—Proposal for a Bill to give children equal protection from assault by prohibiting the physical punishment of children by parents and others caring for or in charge of children (lodged 24 October 2017)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
