Members' Business motions that have not achieved cross party support

***[S5M-09167](#) Emma Harper: Adopt Don't Shop**—That the Parliament believes that, while dogs are the most popular companion animals in the UK, they are also a lucrative source of income for many; recognises concerns raised by academics from the University of Sheffield, in Scottish Government-commissioned research, that both the illegal trade in, and irresponsible breeding of, dogs are escalating; understands that central to these concerns are large-scale commercial breeders in Scotland, the illegal trafficking of dogs into the country, including through Cairnryan Port, and the largely uncontrolled third-party online traders, who it considers now dominate the puppy trade; understands that there are currently thousands of dogs situated in rescue centres across Scotland who need homes; notes that reputable shelters are able to assess and support the rehoming of many breeds and ages of dog, and notes the view that anyone considering getting a puppy should adopt from a reputable shelter or rescue centre run by an organisation such as the Scottish SPCA.

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
