Members' Business motions that have not achieved cross party support

***S5M-08105 Gillian Martin: Global Entrepreneurship Week**—That the Parliament welcomes the return of Global Entrepreneurship Week, which will run from 13 to 17 November 2017; celebrates the work of Women's Enterprise Scotland (WES) in promoting and supporting women into business during the awareness week and throughout the year; notes that as part of the 2016 awareness week, WES brought women business owners to the Parliament to receive training on giving evidence to committees, and that this work has been ongoing since; welcomes the refreshed Framework for Women's Enterprise in Scotland; commends the contributions of women business owners and WES to the Cross Party Group on Women in Enterprise; notes the view that so-called gender-blind policy making, as evidenced by recent research by WES, must be replaced by a gender-aware approach to economic development, enterprise and growth policies; believes that the collection and analysis of gender-disaggregated data is critical to help policy makers meet the needs of women-led businesses, and understands that, if the rates of women-led businesses equalled those of men, the contribution to Scotland's gross value added (GVA) would increase from £7.6 billion to £13 billion, representing 5.4% in economic growth.

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
