**\*S5M-12574 Claudia Beamish: 30 Days Wild Month**—That the Parliament notes that more than 3,000 people around Scotland are taking part in 30 Days Wild, a month-long nature challenge by the Scottish Wildlife Trust that encourages individuals, families, schools and workplaces to do one thing to get closer to nature every day in June; recognises that by spending more time outdoors and interacting with the natural environment there are proven benefits both physically and to mental health; believes that this could be a fun way to explore the outdoors with friends and families in the South Scotland region and nationally, and hopes that many random acts of wildness will be committed in the coming month.

**\*S5M-12572 Bill Kidd: Peace Boat's 98th Voyage**—That the Parliament congratulates the peace boat, Hibakusha Project, on its 98th voyage; understands that a delegation of atomic bomb survivors are travelling onboard the ship as it travels around the world for 106 days to garner public support for nuclear disarmament; recognises that the 97th voyage was the first time that the craft visited Scotland and the Parliament, and wishes everyone onboard the boat a safe and productive journey.

**\*S5M-12569 Liam Kerr: Recognition of the Friends of Stonehaven Open Air Swimming Pool**—That the Parliament congratulates the Friends of Stonehaven Open Air Swimming Pool on being awarded The Queen's Award for Voluntary Service 2018; understands that the award is the highest given to volunteer groups across the UK; recognises that the group received the award for maintaining, enhancing and promoting the historic pool for the local community and visitors from the UK and abroad; notes that the group was formed in 1994, initially as a community group to campaign against the threatened closure of the pool, but now works in close partnership with Aberdeenshire Council, which owns, operates and staffs the pool; acknowledges that the pool has also received a Trip Advisor's Certificate of Excellence for five years in succession and, this year, was entered in Trip Advisor's Hall of Fame, and wishes the group continued success for the future.

**\*S5M-12564 Johann Lamont: Fair Tax Fortnight and Co-operatives Fortnight**—That the Parliament notes that the first Fair Tax Fortnight takes place from 9 to 24 June 2018, and that Co-operatives Fortnight takes place from 23 June to 7 July 2018; recognises the contribution of the co-operative movement to the creation of the Fair Tax Mark; recognises that among the organisations that have obtained the Fair Tax Mark are the Co-operative Group and Scotmid Co-operative, which trade extensively in the South Scotland region; notes that the theme for Co-operatives Fortnight is the difference that co-operatives make, and notes that the Fair Tax Fortnight is about urging businesses to pay the right amount of corporation tax at the right time and in the right place.

**\*S5M-12557 Monica Lennon: Survey of Trading Standards Staff**—That the Parliament is concerned by the findings of the UNISON report, *Trading Safety: a survey of trading standards staff*, which suggests that the number of trading standards officers has fallen by 23% over the last six years; believes that trading standards teams are an essential service, working to protect consumers, enforce legislation and support businesses; considers that local government funding pressures have put these officers under substantial pressure as they try to maintain a quality service with fewer resources; believes that the service should be one which is proactive, but considers that it has become less so, due to local government budget cutbacks making it more difficult for officers to travel around their areas; is concerned that some work has reportedly stopped altogether, including consumer advice at local authority level, and understands that the report suggests that the highly-dedicated trading standards workforce is both exhausted and demoralised by the impact of austerity on local government budgets.

**\*S5M-12554 Mairi Gougeon: NEW Solutions**—That the Parliament congratulates Gail Penman on being awarded £5,000 by the Social Entrepreneurs Fund to help fund her new start-up social enterprise, North East Wellbeing (NEW) Solutions, which is based in Montrose and aims to provide mental health and wellbeing support for children, young people and families and to tackle the issues caused by adverse childhood experiences; commends the NEW Solutions approach of working in partnership with schools and families to promote early intervention with an "ask once, get help" policy and to provide mental health training for staff and families and a consultation service for professionals; recognises that wealth of experience that Gail has in providing direct support to children, young people and families, after several years as a primary mental health worker with NHS Tayside, and as a senior community worker with Aberdeenshire Council, and

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
