Debate on the subject of—

[S5M-12252](#) Ruth Maguire: The Citizen Girl Initiative—That the Parliament welcomes the launch by Girlguiding Scotland and Women 50:50 of the female empowerment campaign, Citizen Girl, which aims to help empower girls to use their voices and become the next generation of leaders in politics and beyond; notes that it coincides with the celebrations to mark 2018 as Scotland's Year of Young People and the 100th anniversary of the first women gaining the right to vote; believes that, despite much progress, gender stereotypes still exist and that these negatively impact on the life experience of young girls, including by affecting their ability to both speak out and participate in class discussions; notes that it will see Girlguiding Scotland's 50,000 members learning about equality, representation and how powerful their voices can be; understands that it will do this through a range of fun, hands-on activities, including creating their own edible parliament and holding Citizen Girl summits; notes the initiative's call for political parties to commit to gender equality by ensuring that at least 50% of their candidates in local, Scottish and UK elections are women, for politicians at all levels to consult with young people on decisions that impact on their lives and for businesses, public bodies, and voluntary organisations to commit to increasing female representation in management, including through creating opportunities for the next generation of girls to take the lead; notes the calls for Members to support the campaign by sharing a #CitizenGirl selfie on social media and visiting a local Girlguiding Scotland group, and

acknowledges Citizen Girl's efforts to create a more equal society for women and girls in the Cunninghame South area and across Scotland.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

Progress of Legislation

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
