[S5W-17426](#) Tom Mason: To ask the Scottish Government, further to the answer to question S5O-01731 by Derek Mackay on 1 February 2018, in light of it already confirming its plans for 2019-20 capital borrowing to the Scottish Fiscal Commission, for what reason it stated that capital borrowing decisions for 2019-20 would be taken and outlined at the budget stage of the year.

[S5W-17427](#) Tom Mason: To ask the Scottish Government whether it plans to split its payback of capital borrowing for 2018-19 and 2019-20 evenly over the 25-year payback period for each year's worth of borrowing.

[S5W-17434](#) Tom Mason: To ask the Scottish Government, in light of non-savings, non-dividend (NSND) income tax forecasts being revised down by £1.74 billion in the years up to 2023-24, what its position is on whether pursuing an income tax policy that is estimated to result in a loss in revenue in the same period of £292.17 million due to behavioural responses and almost £2.1 billion due to tax-motivated incorporations is a sustainable way to manage the economy.

[S5W-17435](#) Tom Mason: To ask the Scottish Government, in light of behavioural responses to income tax policy and tax-motivated incorporations, what its position is on whether its current income tax policy has taken Scotland's Laffer curve beyond its peak.

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
