**\*S5M-11159 Jackie Baillie: Cuts to Health and Social Care Services in Argyll and Bute—**That the Parliament is concerned at reports that Argyll and Bute Health and Social Care Partnership needs to find savings of £14 million in 2018-19; understands that Unison has warned that the partnership's proposals to privatise its remaining in-house care services could result in 400 redundancies; notes the union's view that staff in privately-run care services often have poorer terms and conditions than public sector workers; believes that the partnership's proposals to use fewer services in NHS Greater Glasgow and Clyde hospitals could have a disproportionate impact on people in Helensburgh and Lomond, and, to protect jobs and services, calls on the Scottish Government to ensure that the integrated joint boards are fully funded.

**\*S5M-11156 Christine Grahame: What Does a Dog Know about Road Safety?—**That the Parliament congratulates Elliot Etherington and Kai Waddell, who are P7 pupils at Melrose Primary School, on winning the first Jon Chappell Memorial Shield Road Safety Award; understands that the award was presented in memory of a springer spaniel, Jon, which, following it losing a leg in a road accident, helped to promote road safety with its owner, Sheena Chappell, by visiting hundreds of school pupils across the Borders to provide safety messages; understands that Elliot and Kai, who are the school's road junior road safety officers, won the inaugural competition by producing a video for parents and carers, which involved Police Scotland and the community, and wishes them and all involved with the award the best of luck in continuing to promote road safety awareness.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

### Final Proposal for Member's Bills

**Monica Lennon: Proposed Sanitary Products (Free Provision) (Scotland) Bill**—A proposal for a Bill to ensure free access to sanitary products, including in schools, colleges and universities (lodged 7 March 2018)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

Supported by: Iain Gray, Jackie Baillie, Neil Bibby, Andy Wightman, Neil Findlay, James Kelly, Elaine Smith, Kezia Dugdale, John Finnie, Pauline McNeill, David Stewart, Neil Findlay, Richard Leonard, Lewis Macdonald, Alex Cole-Hamilton\*

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
