### Written questions lodged on 29 May 2018

**S5W-16837 Mark Ruskell:** To ask the Scottish Government, in light of reported concerns that it does not offer a sufficient deterrent to the illegal killing of birds of prey, what its position is on whether the Partnership Against Wildlife Crime Scotland (PAWS) Executive Group should review Scottish Natural Heritage's system for open general licence removal to examine ways to maximise its future effectiveness.

**S5W-16840 Mark Ruskell:** To ask the Scottish Government how many satellite-tagged birds of prey are required to go missing in circumstances described as "suspicious" for Scottish Natural Heritage to consider the removal of the right to use an open general licence.

**S5W-16841 Mark Ruskell:** To ask the Scottish Government what its response is to concerns that the number of open general licences that have been removed by Scottish Natural Heritage over the last four years is low, in light of the number of confirmed cases of raptor persecution across the same period.

**S5W-16884 Neil Bibby:** To ask the Scottish Government what information it has on whether any of the contractors or sub-contractors involved in the construction of the A737 Dalry Bypass are participating in or have previously participated in the blacklisting of workers.

**S5W-16885 Neil Bibby:** To ask the Scottish Government what information it has on whether umbrella companies have been utilising a "margin charge" on workers' payslips during construction of the A737 Dalry Bypass, as has reportedly been the case in other Scottish Government infrastructure projects.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
