***S5M-14614 Alasdair Allan: Centenary of the Iolaire Disaster**—That the Parliament commemorates with great sadness the Iolaire disaster of 1 January 1919, when at least 201 men, mainly those returning home to the islands of Lewis and Harris after active service in the Royal Navy, lost their lives; remembers this terrible event, which took place when HMY Iolaire struck the Beasts of Holm, a group of rocks only around three miles from where the men's families were waiting for them at Stornoway Harbour; notes the series of commemorations that will take place in the islands around the centenary, and commends the efforts that are being made in the community and nationally to give due recognition to a disaster that, for many decades afterwards, had a devastating impact on the people of the Western Isles.

The Member has provided the following translation:

***S5M-14606 Brian Whittle: 10 Years of Parkrun in Scotland**—That the Parliament notes the 10th anniversary of the first parkrun event in Scotland, which took place on 6 December 2008 at Pollok Country Park, Glasgow; understands that parkrun organises free, weekly 5km timed runs on Saturday mornings, open to everyone across Scotland, and shorter 2km parkruns for 4- to 14-year-olds; recognises that, from a first event in Glasgow with 44 participants and seven volunteers in 2008, parkrun in Scotland has now grown to 43 5km runs and 14 2km runs weekly, taking place from Shetland to the Borders and Dumfries and Galloway; acknowledges that, since 2008, 8,614 parkrun events have been held in Scotland, with 139,626 individual runners undertaking 1,318,853 runs supported by 16,832 volunteers on 134,325 volunteer occasions; believes that the kind of regular, moderate physical activity encouraged by events such as parkrun can have a significant benefit on an individual's physical and mental wellbeing; congratulates parkrun's organisers, volunteers and participants across Scotland for 10 years of success, and hopes that the popularity of parkrun continues to grow.

***S5M-14603 Angus MacDonald: Ian Howarth Stands Down as Chair of CATCA**—That the Parliament celebrates the success of Communities Along the Carron Association (CATCA), a volunteer community group dedicated to regenerating the River Carron and the 16 communities along it; notes that CATCA has been involved in education, community engagement, connecting

communities and physical transformation of the river and its communities and has been instrumental in undertaking conservation, community gardening, improving green spaces and reducing litter and fly-tipping as part of its voluntary work; understands that CATCA, through Christine Bell and Fraser Johnston, was responsible for bringing the Cycling Without Age project to Falkirk district, which is now in the process of being rolled out across Scotland; understands that Ian Howarth has been chair of the association since 2009 and officially stood down from this position at the 2018 AGM on 1 November; commends Ian for his hard work, dedication and commitment to CATCA and in overseeing its work, as well as in playing a key role in contributing to the success of CATCA over the years; wishes him the very best for the future, and looks forward to working with CATCA to produce more success in the years to come.

***S5M-14508 John Mason: Statue of General Stanislaw Maczek**—That the Parliament welcomes the bronze statue of General Stanislaw Maczek, which is to be unveiled on the Royal Mile in Edinburgh on 3 November 2018; understands that General Maczek served as a battalion commander of the Austro-Hungarian Army during the First World War and a major in the Polish army in the interwar years; notes that, during the invasion of Poland in 1939, his 10th Motorized Cavalry Brigade fought for five days, slowing the blitzkrieg to 10 kilometres-a-day and becoming the only Polish unit not to have lost a battle that year; understands that he was subsequently made a brigadier-general in the Polish Army in France, where he continued to fight the German forces before escaping to the UK; notes that he succeeded in having a Polish armoured regiment created that was tasked with defending Scotland's east coast; recognises the contribution that he made while leading his regiment during the invasion of Normandy; notes that he was granted honorary Dutch citizenship in recognition of his actions to minimise civilian casualties; deplores both the stripping of his Polish citizenship by the communist government and the reported refusal of a pension to him by the UK Government; acknowledges that General Maczek, who was originally a language and literature student, eventually worked as a bartender in Edinburgh until the 1960s, and believes that the statue, which has been created by the accomplished Polish sculptor, Bronislaw Krzysztof, will help to highlight this hugely interesting man's links to Scotland and his pivotal role in fighting the Nazis.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

Final Proposal for Member's Bills

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
