followed by Motion of Remembrance

S5M-14666 Nicola Sturgeon: Motion of Remembrance—That the Parliament acknowledges that the First World War had a devastating impact around the world, including on our nation, in which no community was unaffected; recognises the importance of honouring all those who have lost their lives in armed conflicts; notes that 2018 marks the centenary of the First World War Armistice; commends the work of the Scottish Commemorations Panel and partner organisations, which have developed a fitting programme of events to commemorate Scotland's Armistice centenary, both nationally and for communities; notes that the centenary of the Armistice will be commemorated with a National Service for Scotland in Glasgow Cathedral; recognises the many other organisations and community groups in communities across Scotland that will be delivering commemorative events that inform people about Scotland's involvement in the First World War while helping them recognise the effects of the war on their local communities and the wider world and its lasting impact on life today, and calls on the nation to come together and pay its respects on 11 November 2018 to ensure that those who suffered so much will never be forgotten, and in the hope that conflicts such as the First World War might end.

Debate on the subject of—

S5M-14123 Monica Lennon: South Lanarkshire Care Homes Under Threat—That the Parliament understands that South Lanarkshire Council plans to reduce the number of its care home facilities; notes that the first phase of these plans includes the closure of McWhirter House in Larkhall and Kirkton House in Blantyre; considers that the proposed new community hub facility at the St Joseph's site in Blantyre is not a like-for-like replacement and that this will result in a reduction in the number of long-term residential beds; understands that the closure of McWhirter House will leave Larkhall with no council-run care facilities for older people; believes that council-run care provision must remain a vital part of the delivery of residential care for older people and that the ageing population requires a shift in the model of care in South Lanarkshire and the Central Scotland region; recognises that the reliance of the older population on care is likely to increase in coming decades; acknowledges calls that this should be achieved without a reduction in the availability of long-term council care beds and with the support of the community; is concerned at reports that there has not been meaningful consultation with care home staff, trade unions or the communities that are affected by the plans; acknowledges in particular the concerns raised by the GMB, and notes the calls for the SNP administration in South Lanarkshire to halt the planned closures. **R**

followed by Ministerial Statement: Scotland's Plan to Improve the Educational Experience of LGBTI Young People

Groups 1 to 2: 45 minutes.

[S5M-14665](#) Ash Denham: Prescription (Scotland) Bill—That the Parliament agrees that the Prescription (Scotland) Bill be passed.

followed by Standards, Procedures and Public Appointments Committee Motion: Complaint against Annie Wells MSP

[S5M-14602](#) Bill Kidd on behalf of the Standards, Procedures and Public Appointments Committee: Breach of the Code of Conduct for MSPs—That the Parliament notes the 6th Report, 2018 (Session 5) of the Standards and Public Appointments Committee, *Complaint against Annie Wells MSP* (SP Paper 408) and agrees to impose the sanction recommended in the report that Annie Wells MSP be excluded from all meetings of the Parliament and all meetings of its committees for the first five sitting days after this motion is agreed.

Members' Business motions that have not achieved cross party support

***S5M-14677 Jackie Baillie: Scottish Water to Penalise Scots for Living Alone**—That the Parliament disagrees with the Scottish Water proposal to cut the single occupancy discount from over half a million people in Scotland; understands that, currently, 944,659 people in Scotland receive a discount from Scottish Water due to the fact that they receive Council Tax Reduction or live alone; understands that the proposal is to instead offer discounts to only those who receive Council Tax Reduction, regardless of how many people live in the household; believes that this will see hundreds of thousands of people in Scotland, including those in the Dumbarton constituency, being forced to pay for far more water than they are actually using; considers that this will particularly affect older people who are on low and fixed incomes, and notes calls on the Scottish Government to work with Scottish Water to rethink what it considers this ill-advised proposal to penalise those who live alone.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

New Draft Proposal

Claire Baker MSP: Proposed Culpable Homicide (Scotland) Bill— A proposal for a Bill to amend the law of culpable homicide to ensure that where loss of life is caused by the recklessness or gross negligence of individuals, companies or organisations that, where proved, the wrongdoer can be convicted of the offence that reflects the appropriate seriousness and moral opprobrium of what occurred. (lodged on 7 November 2018).

A consultation document, lodged with the proposal, may be viewed in the Scottish Parliament Information Centre (SPICe) or on the website page referred to above. The consultation period runs from 8 November 2018 to 15 February 2019.

Final Proposal for Member's Bills

Jeremy Balfour: Proposed Pet Shop (Licensing) (Scotland) Bill—Proposal for a Bill to improve animal welfare by enhancing local authority pet shop licensing powers and updating the licensing system currently set out in the Pet Animals Act 1951, including in relation to licence conditions, fees and inspections. (lodged 24 October 2018)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
