**followed by Members' Business — [S5M-15541](#) Bob Doris: Efforts to Save St Rollox Railway Works**

**[S5M-15541](#) Bob Doris: Efforts to Save St Rollox Railway Works**—That the Parliament expresses its dismay and disappointment at the reported proposal by Gemini Rail Services to close the St Rollox Railway Works, which threatens the employment of up to 200 highly-skilled workers in Springburn; considers that the St Rollox site has had a proud history within the world locomotive industry since 1856 and is still affectionately known as "the Caley"; understands, however, that its future is now under threat as a result of Gemini serving a statutory notice

regarding redundancies, and that a 45-day consultation period has now commenced; regrets that the company has taken this course of action, which it believes is likely to reduce the time period within which to identify and implement solutions to save both jobs and operations at the site; acknowledges the formation of a stakeholder group in December 2018 by the Scottish Government, chaired by the transport secretary, which aims to save St Rollox Railway Works; notes that this stakeholder group was established following representations made to the First Minister on 13 December 2018 at First Minister's Questions, and understands that there have been proactive efforts to save St Rollox Railway Works, including the Unite campaign, Rally Roon the Caley, which has made a number of suggestions such as the electrification of the track into the site to reduce business costs and the identification of contract work for the order book to allow the lifespan of St Rollox in its current form to be extended, and allow time for further work to restructure or diversify activities at the works.

**\*S5M-15898 Michelle Ballantyne: Glentress Charity Concert**—That the Parliament notes that the Peel Café at Glentress will host a charity concert to raise money for the Scottish Association for Mental Health; understands that the concert will feature performances from the Innerleithen-born singer-songwriter, Tommy Ashby, whose songs have recently received extended airtime on BBC Radio 2 and 6 Music, and Guy Hamilton, a local singer who frequently tours Scotland and Europe; acknowledges that the concert is the first of "The Sessions in aid of SAMH", a new local events platform that seeks to destigmatise mental health issues, and wishes both the organisers and artists the best for the event.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

### Final Proposal for Member's Bills

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
