**\*S5M-16080 Sandra White: Israeli Government Withdraws Hebron Task Force**—That the Parliament notes with concern the decision by the Israeli Government to withdraw the mandate of the Temporary International Presence in Hebron (TIPH), which is the observatory task force that has been monitoring the divided West Bank city of Hebron for more than 20 years; understands that the TIPH assumed its duties in accordance with UN Security Council Resolution 904, which was submitted to guarantee the safety and protection of Palestinian civilians in the occupied territories; believes that correspondence from the Hebron Municipality indicates that the withdrawal of the TIPH has resulted in an increase in the frequency of violations and harassment of Palestinian civilians living in the H2 area of the city, and calls on the Israeli Government to reverse this decision and to resume the mandate for the TIPH to provide safety and protection for the Palestinian population.

**\*S5M-16077 Gail Ross: Male Survivors of Sexual Violence**—That the Parliament commends Finlay McFarlane for the courage that he has shown in waiving his right to anonymity to speak on BBC Scotland's, *The Nine*, about his experience as a male survivor of sexual violence; notes his efforts to tackle the stigma associated with male survivors, which, it believes, contributes to underreporting of such crime; recognises his campaign to start a national conversation about the lack of service provision for victims, and applauds Finlay on his efforts, along with third sector organisations, including Stay Brave, Survivors UK and Rape Crisis Scotland, to champion the needs of male survivors and raise their visibility through the campaign, This Man Too.

**\*S5M-16076 Tavish Scott: Scale-up Award for Shetland Distillery Company**—That the Parliament congratulates the Shetland Distillery Company, which is in Unst, on being awarded the Scale-up Business of the Year at the FSB Scotland Small Business Awards; notes that its Saxa Vord Distillery is the UK's northernmost and has experienced remarkable growth, particularly with the production of Shetland Reel gin; recognises the hard work of Frank and Debbie Strang, Stuart and Wilma Nickerson, and the distillery team, on making this growth possible, and wishes the company continued success, including with its plans to install Shetland's first single malt distillery.

**\*[S5M-16072 Jackie Baillie: USDAW Spotlight Campaign, Supporting Families with Caring Responsibilities](#)**—That the Parliament congratulates USDAW on its Spotlight campaign, which highlights the difficulties facing people who are struggling to balance caring responsibilities with employment; acknowledges the difficulties in juggling normal household activities, never mind requiring time off for medical appointments; is concerned at what it sees as a troubling economic climate that contributes to adding further pressure to people trying to balance care and work, especially those on insecure contracts or who do not have any choice in the hours that they work, and thanks USDAW for highlighting this concern among its membership and for campaigning for better family-friendly employment rights across Scotland.

Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
