[S5M-16107](#) Nicola Sturgeon: EU Withdrawal Negotiations—That the Parliament reiterates its opposition to the damaging EU exit deal agreed by the UK Government; agrees that a no deal outcome to the current negotiations on EU withdrawal would be completely unacceptable on 29 March 2019 or at any time; calls on the UK Government to take immediate steps to prevent the UK leaving the EU without a deal, and agrees that the Article 50 process should be extended so that agreement can be reached on the best way forward to protect the interests of Scotland, Wales and the UK as a whole.

The Presiding Officer has selected the following amendment

[S5M-16107.1](#) Jackson Carlaw: EU Withdrawal Negotiations—As an amendment to motion [S5M-16107](#) in the name of Nicola Sturgeon (EU Withdrawal Negotiations), leave out from “reiterates” to end and insert “respects the results of constitutional referendums; supports leaving the EU with a deal; notes that a no deal outcome will happen by the automatic operation of the law unless an agreement is reached; further notes that this would still be the case after an extension to Article 50, and believes that the Scottish Government is no longer acting in good faith for the people of Scotland.”

6:00 pm Decision Time

followed by Members' Business — [S5M-15475](#) Neil Findlay: Scottish Government Declines Help of Mesh Expert

[S5M-15475 Neil Findlay: Scottish Government Declines Help of Mesh Expert](#)—That the Parliament notes with much disappointment reports that the Scottish Government has declined an invitation from the St Louis-based obstetrician-gynaecologist, Dr Dionysios Veronikis, to travel to Scotland to help safely remove transvaginal and other mesh implants from people in Lothian and across the country who are experiencing life-changing pain and disability and to train other surgeons how to do this safely; understands that Dr Veronikis has developed specialist skills and instruments that allow entire mesh implants to be removed with positive results; believes that full mesh removal is currently unavailable in Scotland, and notes the calls for the Scottish Government to reconsider this invitation and to do all that it can to help facilitate the offer that Dr Veronikis has made.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/12419.aspx>

Final Proposal for a Member's Bill

Christine Grahame: Proposed Responsible Breeding and Ownership of Dogs (Scotland) Bill—Proposal for a Bill to improve the health and wellbeing of dogs throughout their lives by strengthening the regulation of the activity of breeding, and of selling or transferring puppies, and by establishing a more responsible and informed approach to acquiring and owning a puppy or dog. (lodged 26 February 2019)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.

Members' Corrections

Official Report, meeting of the Parliament, 21 February 2019

Correction

The First Minister has identified an error in her contribution and provided the following correction.

The First Minister:

At col 16, paragraph 13—

Original text—

My understanding is that any payments that were made to the company were for services that were delivered before the company went into administration, and therefore health boards were contractually and legally obliged to make those payments.

Corrected text—

My understanding is that any payments that were made to the company were for services that were delivered before the company ceased trading, and therefore health boards were contractually and legally obliged to make those payments.

Members' corrections are published alongside, but do not replace, the original contribution and can be accessed via the Scottish Parliament website at:

<http://www.scottish.parliament.uk/parliamentarybusiness/43105.aspx>

Corrections will be listed on the members' corrections page of the Scottish Parliament website until the end of the session in which the correction was made. After that the correction will still be available in the Official Report of the relevant meeting.
