## 12:45 pm Members' Business — S5M-15570 Kenneth Gibson: Changes to Pension Credit Could Cost Mixed-age Couples £7,320 Annually

**[S5M-15570](#) Kenneth Gibson: Changes to Pension Credit Could Cost Mixed-age Couples £7,320 Annually**—That the Parliament condemns the UK Government's decision that, from 15 May 2019, newly-retired people whose partners are younger than the state retirement age of 65 will no longer be able to claim pension credit (PC) and must instead claim universal credit (UC) along with their partners; understands that the couple rate of UC is £114.81 a week, compared with £255.25 for a couple receiving PC, which amounts to a potential loss of £7,320 a year; believes that this change could have a devastating impact on couple's finances, health and wellbeing and increase the number of older people in poverty; considers that, if the change comes into force, couples might find themselves in the position of being financially better off if they split up and live apart; is disappointed that the changes were set out in a written statement by Parliamentary Secretary for Pensions and Financial Inclusion, Guy Opperman MP, which was published online on the evening of 14 January 2019; believes that this allowed the announcement to go through largely unnoticed due to the Brexit vote, and notes the calls for the UK Government to reconsider this decision, which, it believes, could drive many older people and their partners in Cunninghame North, Scotland and across the UK into poverty.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
