Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

### Motions and amendments can be published with symbols:

- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Members' Business motions that have not achieved cross party support

**\*[S5M-17253](#) Alex Cole-Hamilton: Trauma Recovery and Support for First Responders**—That the Parliament notes that every day in Scotland, including in Edinburgh, people offer assistance to perfect strangers in moments of crisis and trauma; recognises that first responders, both in the emergency services and members of the public, are often called upon to intervene to offer assistance during incidents where they may witness scenes of trauma and death; understands that these experiences may stay with them and may cause psychological harm for many years; notes recent staff surveys that suggest low morale among emergency workers relating to unresolved trauma and stress; further notes what it sees as continuing problems around waiting times for mental health services throughout the NHS; believes that people die in the arms of strangers every week in Scotland, but that consideration is not often given to what happens to that stranger after the event, and notes calls on the Scottish Government to bring forward a national first responder trauma recovery strategy, which will ensure that anyone caught up in, or witness to, a traumatic event is given the support that they need in the immediate aftermath of the event.

It is simply unacceptable to continue to waste our most precious resource - the extraordinary skills and talents of ordinary people" remains true to this day and should inspire everyone to challenge and root-out poverty and end inequality, and is grateful for John Smith's legacy, including as one of the great advocates for the devolution of powers to Scotland through a Scottish parliament.

## Progress of Legislation

### Bills

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
