S5M-18355 Alexander Stewart: 100th Anniversary of the Royal Air Force Benevolent Fund—That the Parliament congratulates the Royal Air Force Benevolent Fund (RAFBF) on reaching its 100th anniversary in 2019; understands that the organisation was formed by Lord Trenchard one year after the formation of the Royal Air Force with King George VI as Patron; acknowledges that it was previously known as the Royal Air Force Welfare Fund due to one of its objectives being the raising of a memorial to airmen who died in the First World War; notes that it is the Royal Air Force's leading welfare charity, providing financial, emotional and practical support to serving and former members of the RAF, regardless of their rank, in addition to their partners and dependants; acknowledges that, under its current Patron, The Queen, the RAFBF was awarded a Royal Charter in 1999, which was updated in 2008 by the addition of a new charitable object permitting the organisation's work towards supporting the wellbeing and morale of serving RAF personnel; understands that, in its first year, welfare expenditure was £919, with the first welfare assistance being a shilling for a night's lodging to give the recipient a chance to seek work; considers that today the charity provides a far broader range of support to more than 55,000 members of the "RAF Family", with a reported expenditure in 2017 of £18.8 million; acknowledges that the RAFBF also engages with many civilian companies, councils and local authorities across the Mid Scotland and Fife region, Scotland and the UK as a whole, and commends the charity and its staff and volunteers for their tireless work for the welfare and wellbeing of others.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<https://www.parliament.scot/parliamentarybusiness/Bills/12419.aspx>

Final Proposal for Member's Bill

Neil Findlay: Proposed Restriction of Outside Remuneration etc. of MSPs Bill—Proposal for a Bill to ban MSPs from certain categories of remunerated work and restrict remuneration from any additional work (lodged 6 September 2019)

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary, and individual responses, may also be viewed in the Scottish Parliament Information Centre (SPICe).

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
