Motions for Debate

***[S5M-23674](#) Bill Kidd: Scottish Parliament (Assistance for Political Parties) Bill**—That the Parliament agrees that the Scottish Parliament (Assistance for Political Parties) Bill be passed.

Other new and altered motions and amendments

***[S5M-23677](#) Jackie Baillie: Supporting India's Farmers and Agricultural Workers**—That the Parliament supports the many millions of farmers and agricultural workers in India who are currently protesting a change to Indian farming law that would see them worse off; understands that these reforms will loosen rules around the sale, pricing and storage of farm produce, rules that have protected India's farmers from an unfettered free market for decades; notes that this rule change will allow private buyers to hoard essential commodities for future sales, which only government-authorized agents were previously able to do; understands that these changes have sparked worldwide protests due to the extent to which individuals around the world will be affected by these changes; notes the car rally that will be taking place on 13 December 2020, consisting of a procession of cars travelling from Glasgow to the Consulate General of India in Edinburgh; commends the protesters for their plans to hold a peaceful and socially distanced protest in order to show their opposition and stand in solidarity with those who are protesting elsewhere in the world, and understands that the main fear of farmers is that they will lose control of their land, their income and their ability to decide crop prices.

***[S5M-23676](#) Gil Paterson: Dunelm Clydebank Team Going Above and Beyond to Help the Community this Christmas**—That the Parliament recognises the Delivering Joy non-profit campaign that is currently being run by the Dunelm store in Clydebank; understands that the store will be donating Christmas presents to a range of local charities, schools, nurseries, care homes and foodbanks, which will then be gifted to over 250 vulnerable members of the community within West Dunbartonshire; notes that some staff members have been giving up their own time outside of their contracted hours to wrap gifts and to ensure that every single individual on the list of recipients receives a gift; highlights that the campaign would not be possible without the generosity of the store's customers and members of the community; admires their altruistic efforts,

and thanks the Dunelm Clydebank team for giving a helping hand to those that need it most in the community during such tough times.

Supported by: Richard Lyle*, Sandra White*, Annabelle Ewing*, Bill Kidd*, Stuart McMillan*

***S5M-23675 Jackie Baillie: Extreme Fuel Poverty**—That the Parliament believes that Scotland needs urgent action on fuel poverty in order to reach the Scottish Government’s target of reducing fuel poverty to no more than 5% by 2040; acknowledges that, according to the results of the recent Scottish House Conditions Survey, the number of Scottish households living in extreme fuel poverty has risen by 32,000 in the last year, which means that 311,000 households are currently living in extreme fuel poverty; considers that the COVID-19 crisis and its consequences will have catastrophic effects on fuel poverty in Scotland, increasing overall fuel poverty levels to 29% of households and extreme fuel poverty levels to 14% of households; expresses its concern that, unless fuel poverty rates are reduced, around 2,500 people in Scotland might die unnecessarily from illness; supports Energy Action Scotland in its efforts to decrease fuel poverty rates, and urges the Scottish Government to implement immediate measures to reduce fuel poverty and the devastating impact that it has on people, on their health and on services. **R**

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
