***[S5M-22298](#) Alexander Stewart: 24/7 Samaritans Awareness Day 2020**—That the Parliament acknowledges 24/7 Samaritans Awareness Day on 24 July 2020; notes that this year’s event is named “The Big Listen” and that it aims to highlight that, every six seconds, the charity answers a call for help and that it is there to provide help 24/7 for anyone who is struggling to cope and needs someone to listen without judgement or pressure; considers that Samaritans is not only for the moment of crisis but preventing it arising in the first place, helping to give people ways to cope and the skills to be there for others, as well as encouraging, promoting and celebrating those moments of connection between people, which can save lives; understands that it offers support not only to people in communities in times of need but also those in prisons, schools, hospitals and on the rail network; believes that now, more than ever, Samaritans needs people’s help in the form of donations and that, to mark 24/7 Samaritans Awareness Day, many people across Scotland and the UK are holding their own fundraising events; encourages everyone to get involved, and commends the charity for its tireless work to reach out to more people and to make suicide prevention a priority.

***[S5M-22297](#) Clare Adamson: Launch of Relax Your Child Online Summit**—That the Parliament marks the launch of the Relax Your Child Online Summit; recognises the impact of COVID-19 on the mental health and wellbeing of children across Scotland; understands that the summit, which runs online from 20 to 24 July 2020, will provide tools, tips and fun activities for parents, carers and teaching staff to support the mental health and wellbeing of children and help them cope in the current environment and beyond; acknowledges that the summit will feature over 30 talks from a wide range of authors, activists and experts on mental health and wellbeing, paediatric psychology, early years and childhood trauma; commends the aims of the summit in support of mental health, and wishes all of the organisers and participants in the initiative every success.

Parliament on achieving over 400 responses from young people across Midlothian to their "Lockdown Lowdown" consultation; believes that this is a useful and topical piece of work, which highlights issues affecting young people during the lockdown, covering seven categories, including employment, education, mental health, family and money; recognises the importance of listening to the voices of young people and believes that it is especially crucial that they are listened to during the COVID-19 pandemic due to the many changes that this will bring to their lives, and gives a special thanks to Kari Calder, the Chair of Midlothian Youth Platform, and Blaine Ferguson, MSYP for Midlothian North and Musselburgh, for their work in delivering this consultation.

***S5M-22294 Monica Lennon: Versus Arthritis Launches Impossible to Ignore Campaign—** That the Parliament welcomes the launch of the Impossible to Ignore campaign by the charity, Versus Arthritis, which calls for arthritis and musculoskeletal conditions to be a priority at a national and local level following restoration of NHS and public services after the COVID-19 pandemic; understands that over 1.5 million people in Scotland are currently living with arthritis or a musculoskeletal condition; acknowledges that research conducted by Versus Arthritis between April and June 2020 has highlighted that 40% of respondents in Scotland did not have access to the care and treatment that they needed to manage their pain, while 43% reported that appointments had been cancelled, rising to 50% for those self-isolating; welcomes calls from the charity that NHS boards' remobilisation plans should specifically include provision of services to support people with musculoskeletal conditions and arthritis; agrees that people living with arthritis should be directly involved in shaping the development and delivery of services in order to improve patient-reported outcomes and satisfaction, and supports Versus Arthritis in its ongoing work to support those living with condition.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
