Supported by: Michael Russell*, Jenny Gilruth*

Other new and altered motions and amendments

***[S5M-21890](#) Alex Neil: Call for GMC to Reverse Decision on Mesh Complaints**—That the Parliament is deeply disappointed and dismayed at the decision of the UK General Medical Council (GMC) not to investigate complaints against doctors who wrongly suggest that people are mesh-free after surgery to remove mesh implants when this is not the case; understands that, in the case of one patient complainant, the reason given for this decision was that the patient had not seen the doctor for a period of five years; notes that the GMC has admitted that this five-year rule is discretionary and can be waived in appropriate cases where there is a risk to patients or public confidence and it is in the public interest to undertake an investigation; considers that in the case of women being wrongly advised that they are mesh-free after surgery to remove it fulfils the criteria by which the GMC can dis-apply the five-year rule, and therefore calls on the GMC to reverse its decision and allow such complaints to be thoroughly and independently investigated.

***[S5M-21888](#) Mark McDonald: NHS Grampian Near Me Service Expands to Help Those with a Hearing Impairment**—That the Parliament celebrates the expansion of NHS Grampian's "NHS Near Me" service to include audiology department patients; commends this state-of-the-art secure video appointment service that allows patients to see and speak to clinicians from the comfort of their own home; believes that more than 900 people in the north east could benefit from the option of a virtual hearing aid fitting; notes that new equipment will be posted directly to each patient along with detailed supporting information; understands that a video consultation will follow soon after to discuss all aspects of hearing aid use and maintenance, and welcomes this innovative service at a time when staying safe at home has never been more important.

have signed up as Community Reserve Volunteers with the British Red Cross to provide essential support to communities across Scotland in response to COVID-19; acknowledges that their efforts are part of the Scotland Cares campaign, which encourages people who are healthy and not at risk to volunteer to provide practical or emotional support in their communities; recognises that 14 Community Reserve Volunteers have been working with the British Red Cross in Orkney to support out-of-hours GP services and, in May 2020 alone, provided 461 hours of voluntary support to NHS Orkney as on-call drivers to transport GPs to calls and help them with the application and removal of their PPE; believes that the contribution of volunteers in a number of essential roles across Scotland is a vital part of the overall response to COVID-19, including for keeping communities safe and protecting the most vulnerable; thanks all Community Reserve Volunteers for their exceptional acts of kindness and willingness to go above and beyond in order to put the needs of others first during this challenging time; pays tribute to these efforts as part of Volunteers Week 2020, which celebrates the invaluable role that volunteers play in all aspects of daily life, and wishes all volunteers the very best as they continue to make a real difference to the lives of others.

***[S5M-21886](#) Clare Adamson: Community-led Regeneration of Morris Crescent Play**

Park—That the Parliament commends a committed group of residents in Motherwell who have embarked on the regeneration of their local play park on Morris Crescent; acknowledges the efforts of the residents, which are visible upon visiting the park; notes that the locals have launched a fundraiser to aid in purchasing landscaping supplies required to complete the initial phase of the work and make the park a pleasurable area in the estate once again, and wishes the local residents and their children all the best when using their newly regenerated area.

***[S5M-21885](#) Sarah Boyack: Hero Bikes, Free Bikes for Key Workers**—That the Parliament commends the Bike Station in Edinburgh for its fantastic scheme, Hero Bikes, which provides free bikes for key workers; notes that there were 1,600 applications for bikes in the first round and that the team of six mechanics has been working around the clock to get orders ready; encourages anyone who has a bike to donate to do so, and hopes that this scheme will encourage many more people to pursue the Bike Station's goal of healthier, happier and more affordable journeys.

***[S5M-21884](#) Neil Findlay: Michelle Low and Gemma Reynolds Move on from West Lothian College**

—That the Parliament congratulates the outgoing West Lothian College Student President, Michelle Low, and Vice President, Gemma Reynolds on securing jobs in third sector organisations; recognises the huge achievements of both over the last two years in addressing student poverty and improving student mental health and wellbeing in partnership with the college and external partners; acknowledges that these efforts and more contributed to West Lothian College Student Association being named college student association of the year in 2019 by NUS (Scotland), and wishes them both success in their new careers.

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
