**\*[S5M-21898](#) Maurice Corry: 80th Anniversary of the Dunkirk Evacuation**—That the Parliament recognises that 26 May to 4 June 2020 marks the 80th anniversary of the Dunkirk evacuation, which was known as Operation Dynamo and saw the evacuation of 338,000 Allied soldiers from the beaches on the northern France as a result of advancing German forces; notes that, alongside the transport ships and destroyers, 700 "little ships", which were commanded both by naval officers and civilians, took part; acknowledges that these craft were vital to the rescue and ferrying of soldiers from the shallow shores; appreciates that Scotland's invaluable contribution of smaller vessels included the Skylark IX, which saved 600 lives; notes that the craft is believed to be Scotland's only surviving Dunkirk ship and is in the process of restoration at the Scottish Maritime Museum, and pays tribute to everyone, military and civilian, who played a vital role in the evacuation and the remaining years of the Second World War.

**\*[S5M-21897](#) Lewis Macdonald: Camphill School Celebrates 80th Anniversary**—That the Parliament recognises that Camphill School in Aberdeen is celebrating the 80th anniversary of its foundation in June 1940 by the Austrian refugee, Dr Karl Konig; understands that the school was established at Camphill House in Milltimber to provide education and support to children with special needs, inspired by the teachings of Dr Rudolf Steiner; recognises that the Camphill charity has since expanded across the UK and worldwide, with Camphill communities in countries as far afield as Vietnam, Russia, South Africa and the United States; acknowledges that the original Camphill School is still operating 80 years later, and now helps 143 children and young people to get the best possible support and education alongside four other centres in the north east at Newton Dee, Beannachar, Simeon Care for the Elderly and Tigh A'Chomainn; notes the significance of the Camphill movement to thousands of families and children around the world, and congratulates Camphill School on its 80th anniversary.

**\*[S5M-21896](#) Michelle Ballantyne: Scottish Fairy Godmothers**—That the Parliament commends Jane Nesbit, who is from Galashiels, and Danielle Johnston, from Melrose, on founding the Scottish Fairy Godmothers Facebook page, which allows Borders' residents to send gifts to other members using Amazon wish lists; notes that the volunteers are currently organising gift bags for children, and that over 100 young people in Peebles are expected to receive presents in June 2020; thanks the page's founders and users for their generosity, and wishes them all the best.

**\*[S5M-21895](#) Alexander Stewart: Breathe Easy Clackmannanshire**—That the Parliament congratulates Breathe Easy Clackmannanshire on being awarded The Queen's Award for Voluntary Service 2020, which is the highest award given to volunteer groups across the UK, and commends the British Lung Foundation Support Group's chair, Linda McLeod, and everyone involved for their outstanding and tireless work for the benefit of people across Clackmannanshire with lung conditions. **R**

**\*S5M-21894 Fulton MacGregor: Death of George Floyd**—That the Parliament is shocked and appalled at what it considers the abhorrent death of the American, George Floyd, at the hands of police in Minneapolis; believes that this incident is symptomatic of ongoing prejudices faced by black and minority ethnic (BAME) communities; notes that the actions of the police officers involved have resulted in mass protest and civil unrest throughout the US at the time of the COVID-19 global pandemic, to which people from BAME backgrounds are often already exposed to the worst of the health and economic consequences; further notes that demonstrations have taken place in cities all over the world with the powerful message that #BlackLivesMatter, and reaffirms its position that there is no place for racism in Scotland or anywhere else.

**\*S5M-21893 James Dornan: Black Lives Matter**—That the Parliament condemns in the strongest possible terms what it sees as President Trump's hateful, cavalier and alarmingly racist comments about the protesters who have taken to the streets after the reported murder of George Floyd in Minneapolis, Minnesota, on 25 May 2020; believes that George Floyd's death has once again demonstrated disturbing levels of police brutality towards the African American community and has acted as a catalyst for protests demanding justice both across the US and the wider world; considers that African Americans continue to live in a climate of potential violence at the hands of US law enforcement personnel, with recent studies suggesting that around 100 African American men per 100,000 are at risk of being killed by the police, more than double the risk relative to their white counterparts, and strongly believes that Black Lives Matter.

**\*S5M-21892 Colin Smyth: Glasgow Queen Street Station Travel Shop**—That the Parliament recognises that railway travel shop and ticket office staff engage in a wide variety of functions, including ticket sales, refunds and reservations; notes that they provide information and assistance to passengers, ensure that passengers purchase the correct ticket for their journey and arrange and provide assistance for disabled and older passengers; is therefore concerned that ScotRail's plans for the redeveloped Glasgow Queen Street station include reducing the number of serving windows at the travel shop from six to two, at what is Scotland's third busiest railway station; believes that these changes may particularly disadvantage disabled and older passengers; is concerned that the new layout will risk passenger and staff safety and security, and therefore calls on the Scottish Government to ensure that the proposals for Glasgow Queen Street station travel shop are halted, that there is no reduction in the number of service points at the travel shop, and to meet with representatives of the RMT Union to discuss this issue as a matter of urgency.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
