Other new and altered motions and amendments

***S5M-22100 Gordon MacDonald: Heriot-Watt University and Brewgooder BAME Partnership**—That the Parliament welcomes the announcement of a new partnership between Heriot-Watt University and the Glasgow-based brewer, Brewgooder, to encourage more black, Asian and minority ethnic (BAME) students to develop a career in brewing and distilling; believes that the bursary programme will start from summer 2021 with the aim of improving diversity in the brewing industry; notes that each successful student will receive £2,000 each year from Brewgooder for a total of four years, while studying on the BSc (Hons) Brewing and Distilling course based at the International Centre for Brewing and Distilling at Heriot-Watt University; further notes that the International Centre for Brewing and Distilling was the home of Scotland's first black professor, Sir Geoff Palmer, who taught cereal science at the University and is an ardent campaigner for human rights and racial equality, and looks forward to a new generation of brewers and distillers truly representing Scotland's multicultural diversity.

***S5M-22098 John Mason: Congratulating Ireland and Norway**—That the Parliament congratulates Ireland and Norway after they were elected to the UN Security Council by other UN members; welcomes the important role played by small European nations on the world stage relating to issues such as climate change, the challenging of poverty and inequality and the promotion of peace globally; understands the importance of international organisations and intergovernmental organisations in tackling societal and global issues, and believes that Scotland, as a small European nation, can also play its part on the world stage, notwithstanding what it considers to be the growing insularity of the UK and the current Conservative UK administration.

involved through completing seven challenges in seven days, including a blindfolded bake-off and creating tactile art; acknowledges that, year-round, the organisation advocates for the rights of those in Scotland with dual sensory loss and offers a range of accredited and certificated training courses to raise deafblind awareness and understanding, from its premises in Lenzie in East Dunbartonshire; notes that the charity also offers support to the deafblind community, such as advising on welfare rights and accessing information, as well as providing services such as guides/communicators, and commends the charity for its dedication to supporting the deafblind community.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 5 Proposals:

<https://www.parliament.scot/parliamentarybusiness/Bills/12419.aspx>

(lodged 18 June 2020)

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
