Supported by: David Torrance*, Donald Cameron*, Stuart McMillan*

***S5M-21652 John Mason: COVID-19 "Supercharging" Inequalities**—That the Parliament acknowledges with concern Glasgow Disability Alliance's findings from its recent survey that COVID-19 has "supercharged" the inequalities faced by disabled people in Glasgow; understands that the findings suggest that 40% of disabled people are worried about food, medication or money, and that over 72% are worried about being acutely isolated, which is amplified by digital exclusion, with the survey finding that only 37% of respondents have home broadband and even then, for some, confidence is a barrier to digital inclusion, and seeks to ensure that, while COVID-19 requires that we all make sacrifices, disabled people must not be further disadvantaged.

and believes that these are humbling examples of community spirit and solidarity with those who need support the most.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
