Other new and altered motions and amendments

***[S5M-21724](#) Lewis Macdonald: Future of the North Sea Oil and Gas Industry**—That the Parliament believes that low oil prices and COVID-19 pose an existential threat to the North Sea oil and gas industry; notes the Offshore Co-ordinating Group (OCG) of trade unions' estimate that 3,500 jobs in the supply chain are at immediate risk, with over 1,000 redundancy notices in the drilling sector alone; believes that furlough schemes are an uneven and temporary measure for offshore workers that will not solve deeper, structural problems in the sector, while recognising that they can assist workers who would otherwise face redundancy in the short term; notes the employers' estimate that 30,000 industry jobs could be lost by autumn 2021; believes that offshore oil and gas supported over 101,000 jobs across the supply chain and £16.2 billion GVA to Scotland's economy in 2018; calls on oil and gas operators to show leadership by not making dividend payments to shareholders in the midst of the current crisis; welcomes the formation of the Pandemic Steering Group, which includes employers, regulators and OCG unions; believes that a Just Transition to net-zero carbon is impossible for Scotland's offshore workers if domestic oil and gas reserves are shut down before 2030; notes that the oil and gas reserves under the North Sea are publicly owned, and calls on the Scottish Government to continue working with the OCG trade unions to demand measures from industry and the UK Government that protect Scottish jobs and skills, production, investment, decommissioning and tax revenue from this strategically vital industry.

***[S5M-21723](#) Pauline McNeill: Death of Syrian Man in Glasgow Hotel**—That the Parliament is dismayed at reports of a Syrian man who recently died at a hotel in Glasgow; understands that hundreds of asylum seekers have been moved recently from either single occupancy or two-bedroom flat accommodation to hotels procured by Mears and the Home Office; further understands that approximately 360 people are now housed in hotels across Glasgow; is concerned about whether hotel accommodation and the removal of financial support is suitable for many of those moved, especially if compared with the privacy and stability in the accommodation they were moved from; is further concerned about reports that social distancing is impossible in the hotels, especially in meal areas; believes that asylum seekers are entitled to dignity and respect and to live in a safe environment, particularly during the current pandemic, and calls on Mears and the Home Office to work very closely with Glasgow City Council and NGOs on

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
