***S5M-23425 Gail Ross: Girls in Scotland 2020 Report**—That the Parliament notes the recently published report, *Girls in Scotland 2020*, which outlines the experiences of girls and young women living in Scotland; understands that the report surveyed over 500 girls and young women in Scotland aged seven to 21; acknowledges that it highlights gender inequalities experienced by many girls and young women and also notes the main challenges and issues that young women and girls feel are important to them; notes with concern that many young women and girls in Scotland, including in the Caithness, Sutherland and Ross constituency, feel excluded because of their gender from participating fully in Scottish civic life, and commends the work of Girlguiding Scotland in bringing these concerns to the attention of decision makers in Scotland.

Other new and altered motions and amendments

***S5M-23430 Bill Kidd: Assuring our Common Future**—That the Parliament notes the global launch of the Parliamentary handbook on disarmament and sustainable development, which focuses on parliamentary action to implement the disarmament agenda put forward by UN Secretary General, Antonio Guterres in 2018; is aware that the Geneva Centre for Security Policy, the Inter-Parliamentary Union, Parliamentarians for Global Action, Parliamentarians for Nuclear Non-proliferation and Disarmament, the Parliamentary Forum on Small Arms and Light Weapons and the World Future Council joined together and were supported by the UN Office for Disarmament Affairs on the international launch of a parliamentary handbook, *Assuring our Common Future*, and believes that the handbook provides a background to and examples of effective policies and parliamentary actions on a wide range of disarmament issues, including weapons of mass destruction, conventional weapons, small arms and light weapons, future technologies and disarmament in outer space and cyberspace.

***S5M-23429 Neil Bibby: Dry Docking on the Lower Clyde**—That the Parliament recognises the importance of Scotland's shipbuilding and marine engineering heritage; welcomes the financial support provided to the industry by the Scottish Government; recognises the efforts of the Scottish Government in securing the future of Ferguson Marine in Port Glasgow and its highly skilled workforce; notes that Ferguson Marine is the last shipbuilding company on the Lower Clyde and is an innovator in the marine industry, having designed and built a new generation of environmentally friendly ferries, including the world's first hybrid ferry, MV Hallaig, launched in December 2012, and is currently engaged in the construction of a new class of liquefied natural gas ferries and is developing the world's first renewables-powered hydrogen car and passenger ferry, MV HySeas III, for Orkney Islands Council; considers that further diversification into other markets such as ship repair and annual ship overhaul and maintenance contracts will be required in order for Ferguson Marine and the industry in Scotland to remain competitive and secure the future of the shipyard; considers that the shipbuilding industry on the Lower Clyde makes a substantial contribution to the local economy of Inverclyde, the regional economy of the west of Scotland and wider supply chains; further considers that Ferguson Marine would require dry docking facilities on the Lower Clyde, which it does not currently possess, in order to realise its full potential, and therefore calls on the Scottish Government to explore all avenues at its disposal in order to secure dry docking facilities for what it considers this innovative world leading shipbuilder to safeguard the future of the shipyard and retain and expand what it sees as this much-needed skilled workforce on the Lower Clyde, enhancing Scotland's reputation as a shipbuilding nation.

***S5M-23427 Monica Lennon: Nursing Support Workers' Day**—That the Parliament recognises that, on 23 November 2020, the Royal College of Nursing will celebrate the vital contribution that nursing support workers make in caring for the health of the nation through its first Nursing Support Workers' Day; considers that nursing support workers are the backbone of wards, clinics and community teams across all health and care settings, and play a critical role in delivering high-quality care and excellent outcomes for patients; understands that the term "nursing support workers" encompasses many job roles and titles, including, but not exclusively, Health Care Support Worker, Clinical Support Worker, Carer, Senior Carer and Care Assistant, and expresses its appreciation to nursing support workers across Scotland for their professionalism, dedication, skill and compassion at this extremely challenging time.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
