Members' Business motions that have not achieved cross party support

***S5M-22703 David Stewart: Future of Wick Air Routes**—That the Parliament acknowledges what it sees as the serious threat to the connectivity and development of the Caithness and Sutherland area with the collapse of air routes from Wick John O'Groats Airport to Aberdeen and Edinburgh; notes that the Scottish Government has still to decide on Caithness Chamber of Commerce's business case for a Public Service Obligation on those routes, and that it has been talking to the UK Government and the Nuclear Decommissioning Authority, but notes with concern that no update has been provided on the way forward since Eastern Airways and Loganair withdrew their services, leaving the area with no scheduled services.

Other new and altered motions and amendments

***S5M-22702 Tom Arthur: Active Communities Funding Award**—That the Parliament congratulates Active Communities on its award of £730,000 from the Regeneration Capital Grant Fund; acknowledges that this will be used to fund the final phase of transforming the former Johnstone Police Station into a community-led health and wellbeing hub; recognises the importance of this new facility in increasing opportunities to improve health and wellbeing, reduce loneliness and isolation and provide employment opportunities for local people, and wishes the group all the very best with its future plans.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.

Corrections

Members' Corrections

Official Report, meeting of the Parliament, 2 September 2020 **Correction**

Nicola Sturgeon has identified an error in her contribution and provided the following correction.

At col 26, paragraphs 6-7, and col 27, paragraph 1—

Original text—

Eleven councils are currently delivering 1,140 hours in full: Angus, Argyll and Bute, Clackmannanshire, Dumfries and Galloway, Dundee City, East Renfrewshire, Inverclyde, Scottish Borders, Shetland, South Ayrshire and Stirling.

Eighteen councils are delivering 1,140 hours in some or most nurseries, and some of them are substantially delivering them. For example, 84 per cent of nurseries in Perth and Kinross are delivering them in full; the number is 80 per cent in Renfrewshire and 85 per cent in Edinburgh.

There are only three councils in the whole country that are not delivering any of the 1,140 hours provision, although, to be fair to them, they all have plans in place to progress it. The three councils not delivering any right now are Labour-led North Lanarkshire, Labour-led West Lothian and Tory-led Aberdeenshire. I hope to see progress in those three councils as we deliver that flagship commitment in full.

Corrected text—

Eleven councils are currently delivering 1,140 hours in full: Angus, Argyll and Bute, Clackmannanshire, Dumfries and Galloway, Dundee City, East Renfrewshire, Inverclyde, Scottish Borders, Shetland, South Ayrshire and Stirling.

Nineteen councils are delivering 1,140 hours in some or most nurseries, and some of them are substantially delivering them. For example, 86 per cent of nurseries in Perth and Kinross are delivering them in full; the number is 80 per cent in Renfrewshire and 85 per cent in Edinburgh.

There are only two councils in the whole country that are not delivering any of the 1,140 hours provision, although, to be fair to them, they all have plans in place to progress it. The two councils not delivering any right now are Labour-led West Lothian and Tory-led Aberdeenshire. I hope to see progress in those two councils as we deliver that flagship commitment in full.

Members' corrections are published alongside, but do not replace, the original contribution and can be accessed via the Scottish Parliament website at:
