**\*S5M-24004 Christine Grahame: Happy 100th Birthday Peeblian John McOwan**—That the Parliament wishes a very happy 100th birthday to John McOwan, a weel kent figure in Peebles; notes that he ran the family jewellery shop on the High Street taking over from his father; recognises that his early career was disrupted by his military service in the 7th Armoured Division from 1939 to 1945 where he first served on the artillery batteries defending the Forth Rail Bridge before being transferred to Egypt and being part of events such as El Alamein and the Desert Campaign before landing in Sicily then at Anzio in Italy, eventually taking part in the D-Day landings and all the major conflicts thereafter; notes that Mr McOwan went on to marry and have a daughter and is now grandfather to three granddaughters and great-grandfather to four great-grandchildren; commends Mr McOwan on his continuing participation in the community, including choir, when permitted, and a number of phone and zoom quizzes in more recent months and understands he is now writing his memoirs; hopes Mr McOwan has a wonderful birthday on 6th February, and sends very best wishes for his centenary year.

**\*S5M-24003 John Mason: Concern for Healthy Life Expectancy in Glasgow**—That the Parliament notes with great concern recently released statistics from the National Records of Scotland showing differences in healthy life expectancy across Scotland; understands that Glasgow has the lowest average healthy life expectancy in Scotland, with a figure of 54.6 years for males; further notes with concern that in the 10% most deprived areas in Glasgow, this figure falls to 47 years; believes that there is no panacea to improving the healthy life expectancy of Glasgow residents, however, key issues around universal credit, drugs and the state of housing in the city must be tackled to improve it, and believes that this requires coordinated efforts from the UK and Scottish governments and the local authority.

**\*S5M-23962 Rachael Hamilton: University of Edinburgh Scientists Reveal Motor Neurone Disease Breakthrough**—That the Parliament congratulates Dr Arpan Mehta, Dr Bhuvaneish Selvaraj, Professor Siddharthan Chandran and the experts from the Euan MacDonald Centre for MND Research at the University of Edinburgh on their breakthrough in motor neurone disease (MND) and becoming a step closer to reversing the damage caused by MND; recognises the contribution by the My Name's 5 Doddie Foundation, founded by Doddie Weir OBE from the Scottish Borders, in funding this study, which is a crucial piece in the puzzle to finding an effective treatment for the degenerative condition; appreciates the hard work that the My Name's 5 Doddie Foundation is doing to raise more money to fund studies into MND, such as the Doddie Aid Challenge, which has already raised more than half a million pounds in only 10 days; calls on the Scottish Government to progress the Blue Badge scheme for people with MND as a priority, and further calls for Transport Scotland to provide an update on the progress of collecting feedback on the 12-month Blue Badge test.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
